PREAMBLE

This Memorandum of Understanding was entered into on the date 03-04-2020 at Hyderabad between the **Government Degree College, Bhadrachalam, Bhadradri Kothagudem- 507111** an institute affiliated to Kakatiya University, located at Bhadrachalam, Telangana represented by **THE PRINCIPAL** and **Synthetic Research Pharma (SRP) Laboratories Pvt Ltd.**, an organization, carrying out active pharmaceutical ingredient (API) studies, imparting specialized industrial training on API preparation & research facility to the students of life sciences and physical science.

Wherever the word **First party** comes in this MOU it implies **Government Degree College, Bhadrachalam** and wherever the word **Second party** comes in this MOU it implies "SRP laboratories Pvt Ltd". The parties have had preliminary discussions in this matter and have ascertained areas of broad consensus. Therefore, the parties now have agreed to enter in writing these areas of consensus under a Memorandum of Understanding.

Now this Memorandum of Understanding witnesses that:

1. To collaboratively propose, submit, and carry out R&D projects for the students, internship, and if possible, placement for chemistry students on mutually agreed financial and technical terms and conditions in the areas of
 - a) API Preparation
 - b) Purification
 - c) Biological activity studies
2. To collaboratively conduct R&D and training activities for
 - a) Technology development & its implementation
 - b) Instrumentation training
 - c) Industrial training for Job oriented
 - d) Conducting International Conferences/Seminars in the areas of, chemistry, life sciences, Biochemistry Biotechnology, etc.
3. **Financial & patent issues**
 - a) Patents will be shared by both parties
