2021-2022

Govt. Degree College - Bhadrachalam

Department of Chemistry

Best Practices

Date : 17-03-22

Best Practice : "Natural Holi Color Preparation"

Report : Holi Celebrations with people in an ecofriendly manner - with colours of safety and satisfaction, and smiles of pride on everyone's faces. So the Department of Chemistry has organised a Natural Holi Colors Preparation for students on 17.03.22. We and our students prepared non toxic holi colors, organic, natural, ecofriendly and students were rejoiced and made merry while splashing the natural safe colour holi.
