CERTIFICATE COURSE IN WATER ANALYSIS 2021-22

Organised By	: Department of Chemistry
Instructor for the programme	: S. Ranga Rathnam Asst Prof of Chemistry
Objectives	: To acquire skills for routine analysis of water To improve working ability in analytical laboratory
Course Duration	: 30 DAYS (15 Theory Hrs + 15 Practical Hrs)
Eligibility for Admission	: Any B.Sc. BZC student
Medium of Instruction	: English

Theme of the Programme:

This certificate course in Water Analysis is useful for obtaining good analytical laboratory skills. The students can get opportunities in the field of analysis, analytical research, fundamental research, quality control departments, governmental and non-governmental organizations etc.

Syllabus : Theory

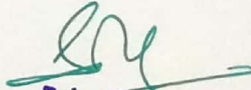

1. Analytical Chemistry, Titrimetric, gravimetric, instrumental analysis
2. Fundamentals in sampling methods, Preparation of reagents
3. Chemical measurements & Concentration calculations
4. Instrumentation Techniques – Conductometry, Potentiometry and pH
5. Chemical methods for Water Analysis
6. Waste water treatment plant types and quality control
7. Water pollution causes and remedies

Syllabus : Practicals

1. Determination of PH and Electrical Conductivity of water.
2. Determination of Alkalinity.
3. Determination of Hardness (Total, Permanent & Temporary).
4. Determination of calcium & Magnesium.
5. Determination of Carbonates & Bi-carbonates.
6. Determination of Chemical Oxygen demand (COD) Biochemical Oxygen Demand (BOD)

Reference Books

1. Basic concepts of analytical chemistry By S. M. Khopkar.
2. Basic laboratory studies in college chemistry By herd & Nebergali.
3. Instrumental methods of analysis By Dr. B. K. Sharma
4. Manual of water & waste water analysis, NEERI, Nagpur
5. Text book of water and waste water engineering by H. K. Hussen

Introduction :-

The current era is the era of information and technology domination. Adapting to the modern requirements of this era in the field of education is a must for both teachers and students. Today every student is well acquainted with the use of smartphones and computers. If we look at the teaching of Hindi at the college level we see that Hindi is taught as a second language in degree college. Smartphones are now used by both teachers and students. The students whose mother language (Tounge) is Hindi could write in Hindi but didn't know typing. A programme to teach Hindi typing in 15 days has been started for these students.

Objectives:-

- 1> Hindi typing throws open new doors for students.
- 2> The student's whose mother-tongue is Hindi could write in Hindi but didn't know typing.
- 3> This course has been developed keeping in mind the demand for Hindi typing work being done in Hindi publication house and for various reporting media.
- 4> Familiarise learners with the art of type writing acquaint learners with the keyboard function make them type any matter with proper the learner for employment by providing a vocational skill.

Conclusion:-

Job Opportunities:- Self employment type writing Hindi enable to get the learner employed as Hindi typist/ Hindi assistant. in all Government Bank, Print media, Cinema Subtitle, Electronic media, Railway Department and nearly Central Government all Department where the medium of work language is Hindi.

After completion the course student should type in the Hindi and submit the assignment.

:- Hindi Typing Rules:-

- 1> Turn to the writing direction left to right by devanagari script.
- 2> Please choose any proper Hindi font like Mangal devanagari etc.....
- 3> The rules for giving space in "Hindi" are much like the rule for English.
- 4> Whenever you need to write "ॐ" (H Shift + Tab = "ॐ")
- 5> If you want to type "ॐ" then use one key instead of typing "ॐ" first and then put a 'H' then press 'S' H then press 'Q' and we get "ॐ" after press we can use "2" we get complete word "ॐ".
- 6> The letter "ॐ" is frequently used while writing "Hindi" in computer's Hindi it makes different shapes in the above, below beginning, middle and end of words while typing Hindi on computer for every form of "ॐ" a different key is used according to the Hindi krutidev key board if you want to type "ॐ" in the middle of any word you can type it by pressing "V & C" and the end of a word press "ॐ" again press "B" & "S" the letter "\" with "A" placed at the single key like "ॐ" finally we set total word's.

-: Hindi Typing Software for windows:-

1. Krutidev is a typing Method which allows users to type in Hindi using a regular english keyboard
2. Create word document, Presentations, Excel sheets or write a mails in Hindi
3. No frequency in English is required Krutidev on Courages user think in Hindi

-: How to typing in hindi on Smart phone:-

- 1) Download and install go keyboard from the google play store or Swift key board.
- 2) open the app and follow the on-screen steps to enable and switch to go keyboard
- 3) After you enable it goto 'input setting' in the app and then goto "input Language Settings"
- 4) Screen down till you see Hindi Lin Hindi font
- 5) Check the box
- 6) Download "Hindi for go keyboard/app Swift-key board app
- 7) Now Open any app for text input

This tutorial was helpful to those who want to type Hindi on android phone's multilang keyboard also has Hindi language support.
