## **STRENGTH OF THE DEPARTMENT:**

- The department has dedicated and qualified lecturer who is committed to render relentless service to the students in grooming their bright career ahead.
- Guiding students for P.G. entrance examinations and to appear for competitive examinations.

## **STRENGTH OF THE PUBLIC ADMINISTRATION:**

- Public Administration is a combination of both theory and practice.
- Public Administration is an activity as old as human civilization. In the modern age, the subject of Public Administration became the dominant factor of both public and private life.
- As a discipline, it studies and analyses the machinery and procedure of government while formulating and implementing policies to increase efficiency.
- The success of the government is dependent on the ability of Public Administration and every aspect of human life is within the range of Public Administration.
- It is the basis of government, the instrument of change in the society, plays a vital role in the life of the people and it is an instrument for executing laws, policies, programs.
- This subject is very important in competitive examinations like UPSC and TSPSC.
- In view of such importance, the second ARC(Administrative Reform Commission) report has recommended introduction of this subject in every educational Institute.
- With the introduction of Public Administration/Governance as one of the subjects both in civil services examination of the UPSC and TSPSC, the subject has gained immense popularity among the student community.
- Owing to the importance / weightage in the competitive examinations more number of students showed inclination towards the Department of Public Administration.

## **VISION OF THE DEPARTMENT:**

- The primary aim of the department is to provide high quality learning environment in Public Administration, and to make empathetic administrators.

### **Best practices:**

- The Department to encourage students to participate in seminars
- The Department to conduct educational visits for students to complement their courses.
- The Department to undertake Student Study Projects.
- The Department to engage effectively in ICT enabled teaching
- The Department to organize extension lectures subject experts to enhance the knowledge of the students.
- The Department to encourage students to present their assignments on the given topic from the syllabus in group discussion mode, which enables the students not only to understand the concept, consequence, and the relevance of the topic but also boosts their morale and communication skills.
- The Department has a student's Lead Team to enrich leadership qualities.
- The Department has a "Peer Evaluation Test" to improve the confidence and remove the fear of examinations, the department has initiated the concept called "Peer Evaluation Test". In this practice, students write the answer for one important question. And those answers are evaluated by their peer group. This improves their writing skills and also peer communication.
