

Report on Field Visit

A field visit was organised along with the students of 3rd semester to the BHEL Ramachandrapuram, RR dist. It is a unit of Heavy Power equipment Plant. The visit was organised on 16-02-2022. The students have practically visited the unit and interacted with the working personnel of this esteemed organisation. They were enlightened how this unit is contributing for the development of newly formed Telangana State growth in producing own electric power plants.
