

TARA GOVERNMENT COLLEGE (A)SANGAREDDY

DEPARTMENT OF POLITICAL SCIENCE

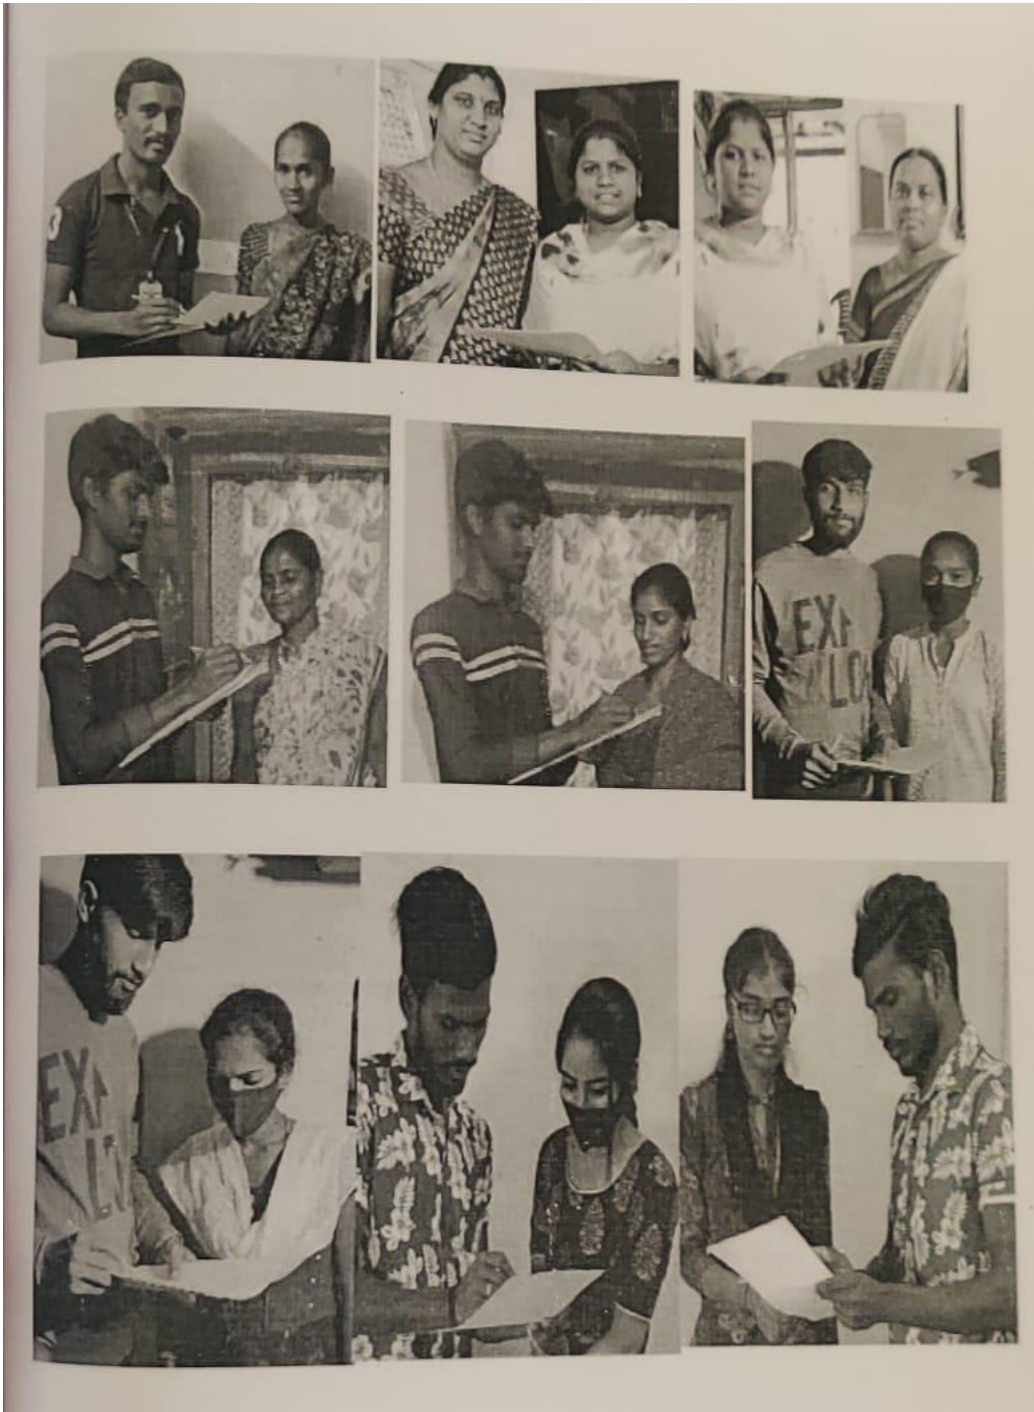

FIELD SURVEY

Under the supervision of Dr.Challoju Jyothsna three field survey based project works were undertaken by the students of final year.

- 1.A Study of women in political sphere
- 2.A Study on Domestic violence
- 3.A study on Fundamental Rights in the Indian constitution
- 4.Child Sexual Abuse with Reference to POCSO Act

Appropriate questionnaires were prepared for the field survey .students elicited the information regarding the above study projects by directly interacting with the respondents .

Child Sexual Abuse with Reference to POCSO Act was another study project selected for the state level presentation in "Jignasa" Student study project competitions.Students presented this project at the state level.

POLITICS QUESTIONNAIRE YOUTH OPINION ON
WOMEN IN POLITICS**

- What is your name: T. Navya
- Gender: Female

- What is your personal stand on the issue of 33/ reservation for women?
(A) We see a slightly change in women politics participation due to the reservation seats for women, yet we also see a few members in women are not allowed to participate those who are interested in politics.

- Do you like to go into politics? No

- So you see the reservation as a part of a greater change in the political system? Yes, somewhat.

- Do you like that woman in politics? Yes

- What are the reasons that women haven't been able to come forward to politics?
• The main reasons are about the public sphere, family background, inferiority feeling.

- Is there more nepotism now?
• No, I don't think so.

- What specific measures have you taken to encourage the participation of woman in politics?
- The measures are to be taken to encourage women participation in politics should have awareness on it, have to learn self-defense to protect in such way in their difficulties, taken the ideas of a woman those who are active about the politics, then make them to participate in politics.
- Do you think that the women politicians exercising their Powers? Or simply proxy rulers?
- When coming to my opinion the women politicians are exercising according to the political powers.
