# FIELD TRIP: ACADEMIC YEAR 2021-22

FIELD TRIP  
TO  
DISTRICT CO-OPERATIVE CENTRAL BANK  
PARKAL BRANCH.

## Introduction:

Field Trips are recognized as important instruments in the learning process and a shared social experience that provides the opportunity for students to encounter and explore novel things in an virtual setting. To bridge the gap between theory and practice these field trips are very useful to the students.

## Objectives of the Field Trip:

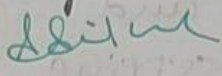

- 1) To understand about the various products and services offered by the Banks in general and DCC Bank in particular.
- 2) To give the clear picture and practical knowledge of how the bank functions and to show the real working environment of the bank.

3) To make understand about what other products and services offered by DCC Bank.

4) To create interest among the students about banking profession.
