

SIGNIFICANT ACHIEVMENTS OF THE COLLEGE

The Solar Power Plant was installed worth Rs, 10, 00,000=00 (Rupees Ten Lakhs Only) with the assistance of RUSA (Rastriya Uchitar Siksha Abhiyan) during the academic year 2021-22. Since its inception the college power bill comes Zero. This is also echo friendly.

Our college attended NAAC Second in 25 and 26th August 2021. The College was Re-Accredited with B+ Grade with CGPA 2.61.

Our commissioner of Collegiate Education Conducts State Level Jignasa Student study Projects every year. The students under Department of Physics of our college presented effectively and bagged first prize during 2021-22.
