

AUDITING FOR GREEN CAMPUS MANAGEMENT

1. Is there a garden in your college? Area? -**Yes.**
2. Do students spend time in the garden? -**Nil.**
3. List the plants in the garden, with approx. number of each species.

In our Campus we have

Sl. No	Name of the Plants	Number
1	Azaindirachta indica	3
2	Ficus religiosa	5
3	Coco nucifera	2
4	Mangifera indica	2
5	Ceasalpinia pulcherima	2
6	Cassia sps	4
7	Tecoma stanns	5
8	Bauhinia varigata	8
9	Zizipus jujuba	2
10	Hibiscus rosa - sinensis	4
11	Prunus dulcis	4
12	Ficus benghalensis	6
13	Saraca indica	2

4. Suggest plants for your campus. (Trees, Vegetables, Herbs, etc.) -**1. Mango, Amla, Tamarind, 2. Tomato, Cucumber, Brinjal. 3. Brahmi, Ashvagandha, lemon grass.**

5. List the species planted by the students, with numbers.

Sl. No	Name of the Plants	Number
1	Tamarindus indica	10
2	Pongamia pinnata	10
3	Ficus religiosa	10
4	Syzigium cumini	10
5	Jatropha multifida	10
6	Tagetes erecta	5
7	Hamelia patens	5
8	Tabernaemountan divaricate	5
9	Hibiscus rosa - sinensis	5
10	Codiaem variegata	5

6. Whether you have displayed scientific names of the trees in the campus? - **Yes**

7. Is there any plantations in your campus? If yes specify area and type of plantation.- **Yes**

8. Is there any vegetable garden in your college? If yes how much area? -**Nil.**

9. Is there any medicinal garden in your college? If yes how much area? -**Nil.**

10. What are the vegetables cultivated in your vegetable garden? (Mention the quantity of harvest in each season) -**Nil.**

11. How much water is used in the vegetable garden and other gardens? (Mention the source and quantity of water used). -**Nil.**

12. Who is in charge of gardens in your college? -**Attenders.**

- 13.** Are you using any type of recycled water in your garden? **-Nil.**
- 14.** List the name and quantity of Pesticides and Fertilizers used in your gardens? **-Nil.**
- 15.** Whether you are doing Organic Farming in your college? How? **-Nil.**
- 16.** Do you have any composting pit in your college? If yes, what are you doing with the compost generated? **-Nil.**
- 17.** What do you doing with the vegetables harvested? Do you have any student market? **-Nil.**
- 18.** Is there any botanical garden in your campus? If yes give the details of campus flora. **-Nil.**
- 19.** Give the number and names of the medicinal plants in your college campus. **-Neem and tulasi.**
- 20.** Any threatened plant species planted/conserved? **-Nil.**
- 21.** Is there a nature club in your college? If yes what are their activities? **-Nil.**
- 22.** Is there any arboretum in your college? If yes details of the trees planted - **Nil.**
- 23.** Is there any fruit yielding plants in your college? If yes details of the trees planted. **-Nil.**
- 24.** Is there any groves in your college? If yes, details of the trees planted. **-Nil.**
- 25.** Is there any irrigation system in your college? **-Nil.**
- 26.** What is the type of vegetation in the surrounding area of the college? **-Mesophytic.**

27. What are the nature awareness programmes conducted in the campus?

- a. Celebrated worlds environment day on 04.06.22 in our college by taking rally and planting 21 oxygen plants (indoor plants) and encouraging students for Kitinen gardening and also sanitation awareness was done**
- b. Students participated actively in painting, essay writing, video making competitions conducted on our college by the instruction of EPTRI, TSPC & CCE**

28. What is the involvement of students in the green cover maintenance?

Plantations and Protections

29. What is the total area of the campus under tree cover? or under tree canopy? - **100 sq. yards**

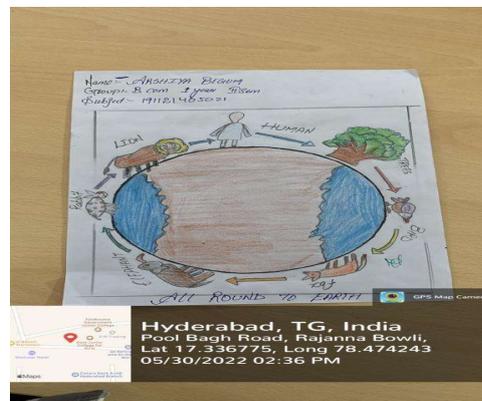

30. Share your ideas for further improvement of green cover.

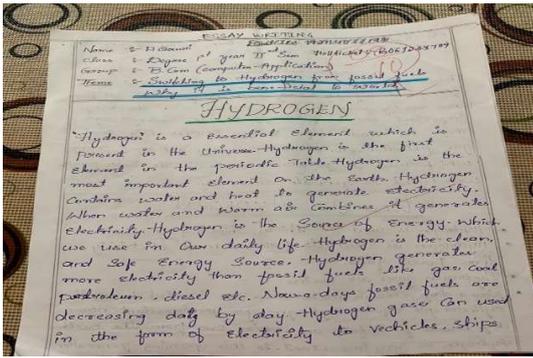

Mass plantations and continuous monitoring

ENCLOSURES FOR GREEN CAMPUS MANAGEMENT:

World Environmental Day Celebrations

Environment protection training and research institute, Telangana state pollutioncontrol Board and Commissionerate of College Education, Hyderabad has instructed allGDC's to conduct painting (only one Earth), Essay writing (switching to hydrogen fromFossil Fuels-why it is beneficial for the world) and Video making Competitions (Living sustainably in harmony with nature). Our students actively participated in these competitions.

In our college ,we celebrated Environmental Day by planting 21 oxygen plants(Indoor plants) in our college under Botany Department, IQAC, Eco club and SREC, we also took a rally along with students for creating awareness for environmental protection and also Zero waste management, we also encouraged students for kitchen Gardening by Distributed seeds of Coriander, fenugreek. We also explained the importance of sanitation.

vanamahotsavam

We celebrated swathanthra Bharat Vajrosthavalu in our college in the month of August 2022 and we have done plantations as a part of vanamahotsavam. We planted 75 plants on this occasion which we brought from our nearby Government Nursery.

Sl.No	Name of the Plant	Number
1	Tamarindus indica	10
2	Pongamia pinnata	10
3	Ficus religiosa	10
4	Syziqium cumini	10
5	Jatropha multifida	10
6	Tagetes erecta	5
7	Hamelia patens	5
8	Tabernaemountana divaricata	5
9	Hibiscus rosa-sinensis	5
10	Codiaem variegata	5
