

# GOVT.DEGREE COLLEGE NARSAPUR, MEDAK DISTRICT

## IQAC ACTION PLAN

### Academic Year 2021-2022

As the college is going for NAAC accreditation, the Internal Quality Assurance Cell of the college decided to create awareness among staff and students about the NAAC procedure and its importance, conducted seminars on NAAC and assigned responsibilities to all the staff for fulfilling the different criteria of NAAC procedure and to consolidate the records of the last 5 years pertaining to different aspects of the NAAC procedure.

In this regard, IQAC action Plan was prepared.

1. Develop the VISION and MISSION statement of the college in tune with CCE guidelines.
2. Prepare a profile of the college.
3. Prepare documentation for 35 registers.
4. Create a profile of the teaching, non-teaching staff and students of the college.
5. Create a SWOC (Strengths, Weaknesses, Opportunities and Challenges) analysis of the college.
6. Encourage the Green Practices including Haritha Haaram, Swachh Bharat program, etc.
7. Guiding the faculty to develop action plans of their respective departments.
8. Encourage the faculty and students to undertake the student study projects (Jignasa) undertaken by students.
9. Planning to conduct Career Guidance programs like P.G. Entrance, B.Ed entrance Coaching.
10. Planning to conduct Campus recruitment drives .
11. Encourage Research and Innovations steps at the college level by faculty and students.
12. Planning to arrange Awareness Programs to provide Competitive exam guidance

13. To improve the public speaking skills, general awareness of the students on the current affairs elections, debates are planning to conduct.
14. Planning to start Certificate Courses with an objective to introduce self employment/ entrepreneur skills,
15. Conduct extension activities in the college including NSS aimed community Development.
16. Conducting Green Audit to assess the environmental quality of the campus.
