

Govt Degree College, Serilingampally, R R Dist

Entrepreneurship Development Cell

A Y 2021-22

21/04/2022

The EDC of the college has organized T innovation day on 21/04/2022 to create awareness among the students on various activities taken up by the government to encourage the startups and those enthusiastic students to start their businesses. Also to bring in the creative abilities the students are given the opportunity to prepare the mobile stands with paper. The Principal Dr Nikhat Anjum addressed the students on the occasion. EDC Coordinator C. Jyothi, Assistant Professor of Commerce sensitized the students on how they can become the job creators with the zeal to become businesspersons.
