Awareness program on TB-2021

The Awareness programme on TB is conducted by Bhagya, IQAC, RRC and WEC in Government Degree College, Yellandu on 09/12/2021. Dr.P.Padma, Principal, Government Degree College, Yellandu, Bhagya Coordinator Sri.B.Chenchurathnaiah, IQAC coordinator Smt S.Bindusree, the staff and the students participated in it. The Resource Person is J.Somaiah, District TB Coordinator. He explained about TB. Tuberculosis (TB) is an air borne disease caused by bacteria, Mycobacterium tuberculosis. It is an infectious disease that mostly affects the lungs but it can also affect many parts of the body. It can spread through air. When someone with TB coughs, spits or sneezes droplets of mucus carrying TB bacteria may be expelled into the air. TB is a curable disease. Treatment is available to all citizens free of cost under the National TB elimination programme.

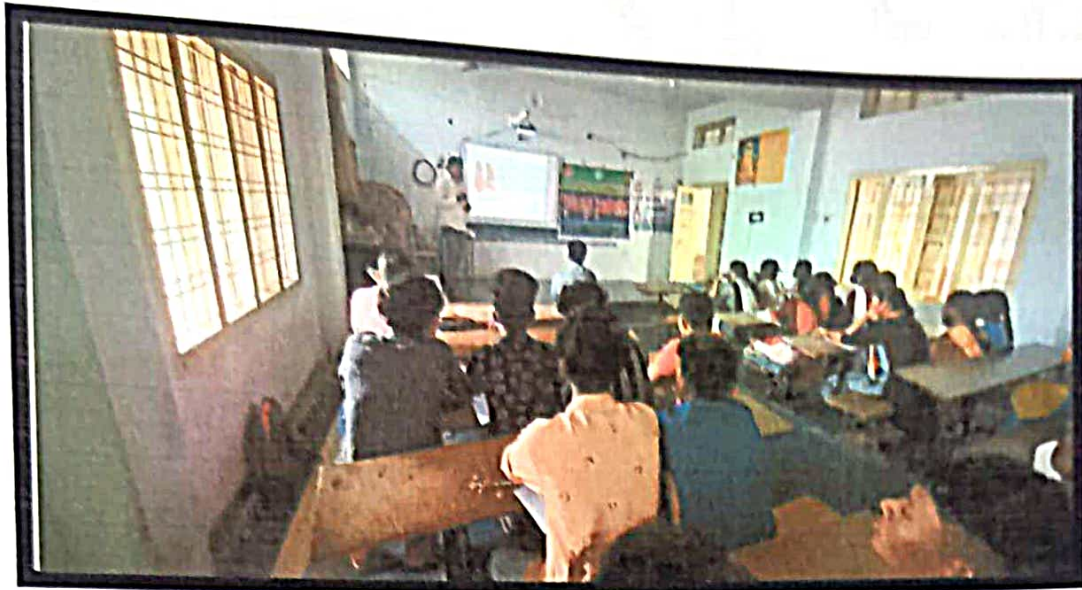

Treatment:

TB must be treated with a combination of drugs to prevent the development of resistance. But when treatment is erratic or incomplete the disease quickly becomes more difficult to treat. Currently four medicines are administered for six to nine months.

Precautions:

1. Wash your hands after coughing or sneezing
2. Stay home from work, school or other public places
3. Use fan or open windows to move around fresh air
4. Do not visit other people, and do not invite them to visit you

Sri J.Somaiah, imparting powerpoint presentation about curable disease TuberCulosis (TB)

Dr. P. Padma

Haritha Haram: 07/07/2021.

Subhash Nagar Gram Panchayat Sarpanch and ward members with Principal Dr. P. Padma, staff & students planted the following saplings near the College Compound wall.

1. Croton - 20
2. Tecoma - 20
3. Hibiscus - 20
4. Rosey - 20
5. Duranta - 13.

Dr. P. Padma

QR-Codes:

As per the instructions of CCE Telangana, QR Codes are given to plants. Nearly 60 plants were given QR Codes.

students, staff and others can learn the details of plants through the QR Codes.

Each QR Code contains the information about the Common name, Botanical name, family & uses of the plant.
