

# TARA GOVERNMENT COLLEGE(A), SANGAREDDY

## Department of Zoology

### *Department Best Practice*

**2021-2022**

#### **Zoology Awareness Programme (ZAP)/ Know your Animal Kingdom**

A programme called Zoology Awareness Programme was launched by the department of Zoology during the academic year 2015-2016

The programme was launched to bring awareness of science (Zoology) among the school students and non Zoology students of the college also. The students are allowed to observe the specimens and slide present in the department of Zoology. The slides and the specimens are explained to the students.

Apart from this activity, the students are explained some topics of zoology present in their syllabus with ppts, charts and specimens available with the department.

- Specimens and slides were shown to the students
- One year Shells were exhibited
- One year awareness on snakes were done.
- Blood grouping for the students were done Like this every year the students are given awareness
