**Examination Instruction :**

**Controller of Examination**

1. Check the examination schedule carefully. Make sure you know the correct date, time and location of your exam.
2. Carry your University ID and Admit Card during the examination or else you will not be allowed to enter the examination hall. Place your Admit Card and ID card on your desk.
3. Arrive at least 30 minutes before the start of the examination. As you enter, show your Admit Card and ID card.
4. Answer sheets may be given to you 15 minutes prior to the start of the examination so that you can check discrepancy (if any) in the answer sheet. Read the instructions written on the front and backside of your answer booklet.
5. You are not allowed to give/borrow any material especially calculators or logbooks etc.
6. Students are required to comply with and always listen carefully the instructions of invigilators.
7. You are not allowed to leave the examination room in the first half.
8. Candidate would be allowed to enter the Examination Hall before 15 minutes from the start of the examination.
9. Stop writing immediately after the scheduled time gets over.
10. Leave the examination hall quietly. Remember to take all your belongings with you.

### PROFORMA FOR Ph.D. PROGRESS REPORT

Six monthly progress report of the Research work done for the period from ..... to ..... of the research

scholar

- Name of the Research Scholar : **Md. Shakeel Ahmed**
- 1. Subject : **Botany**
- 2. Topic registered for Ph.D. degree : **"Distribution and Assessment of VAM Fungi in the Natural Ecosystem with Reference to the Family Fabaceae."**
- 3. Name of Supervisor:
- 4. Name of Co-supervisor (if any):

Description of the guidance on the topic period with dates the candidates has been with the guide for research work (It may also indicate the date of leave availed by the candidate during the above period). Remarks of the supervisor on the work done by the candidate on topic.

Fees paid vide receipt no. 26935 Date 27/01/2023

Report-(Enclose extra sheet if required)

Under the supervision of my guide during this period I am doing my literature review work for finding research gap in my topic i.e., "Distribution and Assessment of VAM Fungi in the Natural Ecosystem with Reference to the Family Fabaceae" For this objective I went through the many data bases like Web of Science, SCOPUS, Google Scholar, and online Blogs etc. During this semester period I have been fully engaged on the study of secondary data on VAM Fungi in the natural ecosystem with Fabaceae. I am enclosing the findings of my literature review here with extra sheets along with this report.
