

GIRRAJ GOVERNMENT COLLEGE (A), NZB
DEPARTMENT OF MATHEMATICS

Vision:

Mathematics is the key to opportunity. No longer just the language of science, mathematics now contributes in direct and fundamental ways to business, finance, health, and defence. For students, it opens doors to careers. For citizens, it enables informed decisions.

Mission:

The Department of Mathematics main aim is to achieve high standards of excellence in generating and propagating knowledge in mathematics. To provide an environment where students can learn, become competent users of mathematics, and understand the use of mathematics in other disciplines.

Brief introduction of the department:

1. The Department of Mathematics, established in 1956, is one of the oldest departments in the whole region of
2. Many notable literary giants and competitive and accomplished teachers have served the department with great acclaim in its glorious history of 64 years.
3. The department at present has catered to 1197 undergraduate students and 110 postgraduate students in the academic year 2021-2022.
4. The students of this institution have appeared for various competitive examinations and have been selected in large numbers for MCA, MBA, and M. Sc. courses at various leading institutions. Most of them are settled in government jobs, and most of our teaching faculty are also alumni of this college.
