# 1. EXECUTIVE SUMMARY

---

## 1.1 INTRODUCTION

### EXECUTIVE SUMMARY

The Government Degree College, Bellampally was established in the year 1987, with tireless efforts of the local delegates. It is the first and foremost higher educational institution of Bellampally. From 2005, the college was running in its current building, which is spread out in a sanctioned area of 5 Acres (built up area 7000Sq.Ft). The college is affiliated to Kakatiya University, Warangal, Telangana State and recognized by U.G.C under 12(b) and 2(f) in the year 18-06-2012. The college is offering undergraduate conventional type of courses. At present college is offering B.Sc. Physical Science CBCS (Mathematics, Physics, Chemistry, Computer Science), B.Sc. Life Science CBCS (Botany, Zoology, Chemistry, Computer Applications/Computer science), B.Com (Computer Applications and Taxation) and B.A. CBCS (History, Economics, Political science, Public Administration, Computer Application) courses are all under Choice Based Credit System, with 15 full time and 4 Guest faculty and 570 students.

The college follows the prescribed curriculum and strives for its effective implementation. Choice Based Credit System was introduced in all the programs of the institution from the academic year 2016 – 2017. Courses on value based life skills are also part of the curriculum like Environmental Studies, Gender Sensitization, Communication Skills in English, Computer Basics and Automation, Water Resource Management, Banking and Insurance, Soft Skills, Human Values and Professional Ethics etc. Students also participate in Extension lectures, Field Trips and student seminars, field projects under the programme “Jignasa”.

The college is following Student-centric methods. Teachers have been able to effectively integrate ICT Tools such as PPTs, Digital Boards and open resource material available on the Internet in their teaching. Students have access to T SAT NIPUNA lessons, both live and recorded for more effective learning through ICT. A Continuous Evaluation System is followed as per academic calendar/almanac of the affiliating university.

### Vision

#### Vision:

- To be an institution which transforms students into responsible citizens through rigorous coursework, life and employability skills for a successful career by providing an understanding of the needs of society and industry.
- To nurture the moral values and ethics among the students with good character, wisdom and selfless service.
- To nurture core values namely social, cultural, economic, scientific temperament and environmental awareness with a special focus on community health and hygiene.
- To mould the students with good character, wisdom, selfless service and strive hard for national

integration.

- The institution endeavors to equip the students with various skills and to expose them to face various competitions and challenges. The future vision of the institution is to make the students intellectuals, self-sufficient, socially useful and productive citizens to promote national integration.

The future vision of the institution is to make the students intellectuals, self-sufficient, socially useful and productive citizens to promote national integration.

## **Mission**

### **Mission:**

The institution strives to focus all its efforts to realize its vision through the following mission statements:

- Our college provides students with quality educational experiences and support services, basic life skills and technical efficiency that lead to the successful completion of degrees.
- By providing educational facilities to students belonging to all sections of the society those who desire to pursue higher education.
- By inculcating discipline, punctuality and regularity.
- By adopting ICT based technical tools and best practices to reach the needs as per emerging trends.
- Meeting the needs of a diverse student population, we embrace equity and accountability through measurable learning outcomes and achievements.
- Strengthening students' social responsibility by doing social activities with readiness, as responsible social servants with special focus on health and hygiene

## **1.2 Strength, Weakness, Opportunity and Challenges(SWOC)**

### **Institutional Strength**

#### **Strengths:**

- The college has spacious campus and it spread over the area of 5 Acres.
- The uniqueness of the college is that it is situated near “ Krushi vignana kendram” to engage the students in Agricultural and aquacultural projects.
- Spacious play ground for sports activities.
- Highly qualified, hard working, well supported and dedicated faculty.
- Eco friendly campus for meticulous learning.

## **Institutional Weakness**

### **Weaknesses:**

- Inadequate class rooms, infrastructure and building structure.
- College is situated in the city outskirts.
- Unavailability of internet and communication signals 2G, 3G and 4G.
- The college is not having separate hostel facility in the campus neither for girls nor for boys. So students are interested to join the residential colleges and even also private colleges which are near to the hostels.
- Zero economic sources

## **Institutional Opportunity**

### **Opportunities:**

- The college has opportunities to collaborate with non-government organization like Lions club, Red Cross society, and rural youth club for conduction of social activities.
- Scope for building students hostels in the college premises
- Most of the faculty are well-qualified and have been recruited by State Public Service Commission. They can work in collaboration with various bodies in industry and society and explore interdisciplinary research.
- The Institute can introduce more number of value-added courses, short-term
- Skill development courses which are aimed at developing newly emerging skills.

## **Institutional Challenge**

### **Challenges:**

- To provide accommodation for all departments individually by constructing additional class rooms.
- It is a challenge to face the unhealthy competition from the private colleges in admissions process
- Students are very poor and their socio-economic status leads them to take up part-time jobs to fulfill their livelihood needs. This has adverse effect on students attendance and on total teaching- learning and evaluation processes.
- To provide adequate faculty to engage the classes and to maintain student teacher ratio is a big challenge.

## **1.3 CRITERIA WISE SUMMARY**

### **Curricular Aspects**

#### **Criterion-1**

## **Curricular Aspects:**

Being affiliated to Kakatiya University, Warangal, the college follows the prescribed curriculum and strives for its effective implementation. Curriculum planning and implementation is done through academic planning, lesson plan and reviewing the progress at various meetings. As per the instructions of the Commissionerate of Collegiate Education, Telangana, Hyderabad, regular teachers attend the Orientation and Refresher Courses and other Faculty Development Programmes conducted by Human Resource Development Centres (formerly known as Academic Staff Colleges) of various Universities in Telangana for professional enrichment and effective handling of the curriculum. Choice Based Credit System was introduced in all the programs of the institution from the academic year 2016 – 2017 with provision for electives in the 5th and 6th semesters. Eleven courses are being run by the college under CBCS system. Courses on value based life skills are also part of the curriculum. Environmental Studies, Gender Sensitization, Communication Skills in English, Computer Basics and Automation, Water Resource Management, Banking and Insurance and Soft Skills, and Human Values and Professional Ethics are some of the cross-cutting subjects which have been integrated into the curriculum. Students also participate in field projects under the programme “Jignasa”. Along with the regular sanctioned courses some add on courses are also planned to equip the competencies of the students. By the conduction of Extension lectures, Field Trips and student seminars the curriculum is being enriched. Feedback is also collected from students every year. It is analyzed and action is taken accordingly.

## **Teaching-learning and Evaluation**

### **Criterion-2: Teaching, Learning and Evaluation**

The aspirations of multifaceted students are reached by participating in seminars, projects, and slow learners are uplifted through assigning examination oriented studies, like study hours, Remedial classes to catch up with others and additional assignments and project works are given to advanced learners for their further academic advancement. Student-centric methods such as problem solving, question-answer method, group work and activity based teaching, communicative approach are used in teaching-learning. Teachers have been able to effectively integrate ICT Tools such as PPTs, Digital Boards and open resource material available on the Internet in their teaching. Online videos improves their knowledge of learning process. ICT classrooms enhance emerging trends in teaching-learning process. Students have access to MANA TV or T SAT NIPUNA lessons, both live and recorded, for more effective learning through ICT. Advanced trends to enrich the pedagogical methodologies are invited for effective teaching and learning. Continuous Evaluation System is followed. Internal assessment is done at regular intervals as per academic calendar of the affiliating university. Continuous and comprehensive evaluation is made besides formal examination system in terms of Unit tests, term examinations and University examinations.

## **Research, Innovations and Extension**

### **Criterion 3: Research, Innovation and Extension:**

As our college is a basic Under-Graduate College, having inadequate facilities and infrastructure, there is less scope to encourage the students towards research. But this snag is being overcome through JIGNASA student study project initiative by CCETS since 2017. This research oriented study project provides a platform

to advanced learners to peep into the research. Two of our faculty members have completed their Ph.D., and two faculty members have already registered and are continuing with their Ph.D. research work. Faculty members act as mentors and help the students in completing their study projects.

## **Infrastructure and Learning Resources**

### **Criterion 4: Infrastructure and Learning Recourses:**

Meagre infrastructure and facilities are there to conduct theory classes. We have sufficient furniture, library with 2714 books, based on budget availability, books have been purchased from time to time, 14 computers were sanctioned and purchased for the digital library. Computer lab with 30 advanced systems, digital class room, VIRTUAL CLASS ROOM, MANA TV, ICT enabled classrooms and LCD projectors are there to utilize online resources. Spacious playground is there to conduct sports and games every year. Science courses were re-introduced in the years 2019-20 and temporary science labs, separate toilet blocks for boys and girls are available.

## **Student Support and Progression**

### **Criteria 5: Student support and Progression**

The State Government sanctions scholarships to the students for SC/ST/OBC/EBC and Minority sections of society. Economically challenged students receive PMS scholarships. Other scholarships include Uttama Vidyarthula Upakara Vethanam and Prathiba Scholarships.

Ward counselling system enables staff to keep a track of strength and weaknesses of students. Anti ragging committee, internal compliants committee, grievance redressal cell are there redress the problems encountered by the students. Career guidance cell provides an account of all career options and opportunities to the students. NSS, YRCS infuse social responsibility through community programs. Remedial coaching is given to students with under performance. Every year games and sports, cultural and literary competitions are organized at the institution level under the programme named Yuvatarangam. These are conducted at College, Cluster, and State level. Students from the institution have participated at District and cluster levels. . A number of students are progressing to PG courses.

## **Governance, Leadership and Management**

### **Criteria 6: Governance, Leadership and Management**

The state government organizes and manages the college administration through CCETS. The principal and other staff are appointed by CCETS and form the local Governing body. Principal, Head of the institution ensures proper functioning of the college. The Institution has a Staff Council and various other committees. The faculty members and students are represented on these committees. The welfare measures for teaching and non teaching staff are governed by state government rules. Faculty members are provided with insurance, health cards, provident fund and other welfare measures by state government. On Duty facility is provided to faculty members who attend conferences/workshops.

The budget allocation made by the state Government distributed by the principal to various departments for various purposes. The society inputs are received through CPDC council.

## **Institutional Values and Best Practices**

### **Criterion 7: Institutional Values and Best Practices:**

Best practices are organized every year to enable and strengthen the inner abilities of the students

The practice of making Ganesh clay idols and distribution enables the students to learn prominent role of nature in human life as well as the necessity to protect mother earth.

The practice of making natural colours initiates students to be aware of usage of safety inorganic materials and practicing green activities.

- Students of our college are encouraged to provide awareness on construction of lavatories in their houses, and awareness on Swachh Bharat mission.
- All the days of national and international importance like National Integration Day, National Youth Day, World Aids Day, Human Rights Day, Consumers' Day, and International Women Day, Ekta Diwas, Voters' Day, etc., are observed and students take very active part.
- Our institution has constituted Career Guidance Cell, Internal Complaints Committee, Eco Club and Consumer Club.
- Rain water is stored in a temporary constructed pit and is used for plantation of college garden every year.

## 4. Quality Indicator Framework(QIF)

### Criterion 1 - Curricular Aspects

#### 1.1 Curricular Planning and Implementation

##### 1.1.1 The Institution ensures effective curriculum delivery through a well planned and documented process

###### Response:

The College designs effective action plans for the successful implementation of the curriculum. At the beginning of the academic year curricular plan is done according to the almanac of the Kakatiya University, Warangal and year plan as per the Commissioner of Collegiate Education (CCE) Hyderabad. Every department prepares its own departmental curricular plan. Progress of work is being received at various meetings, by checking teaching diary, student attendance register, teaching synopsis, teaching plan and departmental activity registers are verified and signed by the concerned head of the department and the principal.

The college prepares the Annual Academic Curricular and Co-Curricular plan. An Activity Register is maintained to check out the implementation of the plan. The staff maintains Teaching Diaries, Teaching notes, Attendance Registers, House Examination schedules, Marks Registers; Remedial Coaching will be given to poor learners.

##### 1.1.2 The institution adheres to the academic calendar including for the conduct of CIE

###### Response:

The academic co-curricular and extracurricular plan is designed in lines with the affiliation of Kakatiya University and Academic calendar of CCE by taking holidays and vacation into consideration. Preparation of the academic calendar begins before the commencement of the academic year. The institute has built in mechanism to ensure syllabus completion and conduct of examinations within the time frame and accordingly various measures are taken. Remedial classes are conducted on weekends. The major challenge faced by the institute is the completion of syllabus of the first semesters as the admission process governed through DOST gets completed by the end of July and the classes usually start by the first week of August. This doesn't give sufficient time for the completion of the syllabus. However this is achieved by engaging extra classes.

Our institution strictly follows transparency in its functioning. The institute develops the academic teaching plan and follows standard academic calendar as per almanac of Kakatiya University and academic calendar of CCE. The annual academic plan states various activities to be conducted. The internal evaluation schedule and the tentative schedule of external evaluations for every semester. Faculty of all the

disciplines follows the prescribed format of Kakatiya University given for internal examinations. Apart from these, activities like student seminars, student study projects, academic competitions and other extension activities are done as per the respective departmental annual academic plan.

**1.3 Curriculum Enrichment****1.3.1 Institution integrates crosscutting issues relevant to Professional Ethics ,Gender, Human Values ,Environment and Sustainability into the Curriculum**

**Response:**

The Institution follows curriculum of Kakatiya University, as a part of this it offers a paper on Environmental studies for the first year students of general courses.

And offered a paper on gender sensitization to the 1st year (sem-II) students from 2015 to 2019, to develop the equality perspective among the students

Environmental Studies: Paper code-BC 101

Gender sensitization: Paper code-BC 201

On the other hand as a holistic engagement, the social issues related to gender, environment and sustainability, human values and professional ethics have been framed as a series of programmes.

The institution established Eco-club and women Empowerment cell which integrates these values in addition to curriculum.

The NSS team organized many Environmental and health care activities like Swatchch Bharath Abhiyaan, health camps, to address the issues related to environmental sustainability and human values (2015-16 to 2019-20 events reports are enclosed).

The Eco-club organized events such as Haritha haram, awareness programme on Global Warming, Environmental pollution and its ill-effects to enlighten students with different issues and its effects on environment (2015-16 to 2019-20 events reports are enclosed).

The Internal Complaints Committee of the institution organized events such as “SHE TEAM” awareness programme, “Awareness programme among students and staff about gender discrimination and women Empowerment”, organized as a part of women’s day celebrations (2018-2019 & 2019-2020) events reports are enclosed).

## 2.5 Evaluation Process and Reforms

### 2.5.1 Mechanism of internal assessment is transparent and robust in terms of frequency and mode

**Response:**

Based on the Academic calendar, the Institute conducts two Internal Examinations, Assignments and two semester Examinations every year for each course to evaluate the students as per the almanac of Kakatiya University, Warangal.

Institute has separate examination branch to conduct the examinations. The examination branch is headed by examination coordinator.

The controller of examinations of Kakatiya University prepares Exam schedule and question papers. Every degree college facilitates the service of examination centre for the conduction of semester examinations. The staff members of the college prepares seating plan for the exams. Once the exams are completed, answer scripts are evaluated in the examination branch of Kakatiya University.

Results of the examinations are released in a span of time. Students are given a fair chance to appeal on any discrepancy in the valuation through revaluation process. Students are awarded additional marks if the appeal is succeeded. The subject wise marks register is maintained by concerned department. Practice tests and assignments are conducted as per the lesson plan of the concerned subject teacher. At present two internal tests are there per semester and question paper is prepared for 20 marks as per the instructions of the Kakatiya University. And 80 marks question paper is prepared for semester examination per every year of the programme with duration of 3 hours.

### 2.6.2 Attainment of programme outcomes and course outcomes are evaluated by the institution.

#### Response:

The process for the evaluation of the students in different subjects is followed as per the rules and regulations of the University authorities, Board of Studies and Faculty. The implementation of the syllabi with changes and the process of evaluation of the learners are monitored by the university authorities, the management of the college and the Principal. Our institution promotes the teachers to organize workshops as well as deputed to participate in the seminars and conferences. Moreover, they are promoted to present and publish research papers to achieve the Course Outcomes and Programme Outcomes successfully.

Internal assessment is the requirement of the continuous assessment and is essential for the fulfillment of the COs and POs. There is an internal college examination committee that deals with the effective implementation of the evaluation reforms regarding the attainment of course outcomes and programme outcomes. The committee initiates a few steps such as Unit Tests, Field Survey, Study Tours, Practical Work, Seminars etc. Besides, our college also tries to attain the course outcomes and program outcomes by conducting the activities such as cultural activities, N.S.S. Activities, Career Counseling, Personality Development Program, Yuvatharangam and Communication Skills, Various collegiate and inter-collegiate competitions, organizations of Scholarly Lectures Health Awareness Programs, Life Skills Development Program, and Jignasa-A study Project Program.

Sportive skills are inculcated amongst the students through these competitions. Thus the course outcomes and program outcomes are full field through such activities.

Our college encompasses a spacious campus spread over the area of 5 acres, apart from 7000 SqFt. built up area and remaining area serves as play ground, Greenland surrounded by a boundary wall and separate toilet blocks for girls and boys. Also this institution is under CC TV surveillance with 1 week data backup.

- **Class Rooms**

Our institution has inadequate class rooms and furniture for conducting theory classes

This institution has library in a separate room having 2714 books which include text books, reference books, a good number of competitive books. For digitalization of the library 14 computers are available. We have established temporary reading room with the available furniture.

We have registered for N-List (National Library and information services infrastructure for scholarly content). The programme was funded by the MHRD under NME-ICT to extend access to selected e-resources to colleges covered under section 12B of UGC Act. We are further planning to provide access to all the students and staff through N-List.

- **SEMINAR HALLS**

We are utilizing one of the class rooms as seminar hall for the purpose of conducting seminars and conferences.

### • Facilities and Equipments For Teaching Learning and Research

The college has computer lab setup with 30 systems of latest OS and proper furniture. This college enabled campus free wifi for staff and students. Virtual Class Room has been established and being used for online teaching. Through “Life Size” Android app, students are enabled to attend the digital classes. Our college is having LCD projectors-3, Digital Class Room-1 for ICT enabled teaching, 7 class rooms, T-SAT NIPUNA, Career Guidance Cell, NSS unit, and 4 science lab cum class rooms.

We have a unique room for LED projector, white board, Computers, chairs etc. In Our college, Career Guidance cell has been catering to the needs of the students and further motivating, training and guiding the students for higher studies and competitive exams. The institution has constituted a committee with a coordinator and three members to lead the cell.

Dr.B.R.Ambedkar Open University study center has been running in the campus. Through this we are facilitating distance education to the needy students of the remote areas, with groups BA, BCom and BSc. It has been maintained by Coordinator, Junior Assistant and Attender.

## Criterion 6 - Governance, Leadership and Management

### 6.1 Institutional Vision and Leadership

#### 6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution

**Response:**

**Vision:**

To be an institution which transforms students into responsible citizens through rigorous coursework, life and employability skills for a successful career by providing an understanding of the needs of society and industry.

**Mission:**

To provide education to all the sections of the society

To get progress by adopting ICT based technical tools and best practices to reach the needs as per emerging trends

**Nature of Governance:**

The institution follows a democratic and participatory mode of governance with all stakeholders participating actively in its administration. The institution implements the policy and plans developed by the faculty and principal, in order to uphold the mission and vision of the college. The principal as the head of the institution implements the decisions and policies of the institution along with the staff members. To regulate and maintain a scholastic environment, the governing body of the college works in collaboration with the principal. For the implementation of academic and co-curricular activities of the college, the Teacher's council and Academic coordinator meet and discuss regularly. The institution encourages faculty development programmes, seminars and workshops to enhance the skills of the faculty. In order to reach the demanding needs of the college curriculum, the students are encouraged to participate in co-curricular activities such as Seminars, Quiz, Debates, Inter college competitions, workshops and college level sports and cultural programs. The institution also aims to continue its interaction with the former students through an Alumni association. This association envisions to inculcate the spirit of creativity, leadership and social responsibility among the students, to spread equal access to all sections of the society.

#### 6.1.2 The effective leadership is visible in various institutional practices such as decentralization and participative management

**Response:**

There are 13 departments in the college namely Physics, Chemistry,

Mathematics, Botany, Zoology, Commerce, History, Public administration, Economics, Political science, English and Telugu. All these departments are allowed to work the purview of the principal. Preparation of the annual academic plan, time table, internal examinations and assignments are carried out independently. The science departments are allowed to purchase the requirements from the sanctions made available from contingent grant and budget allocations. Believing in decentralization the management takes policy decisions, finance, infrastructure etc. with the help of the college development committee and administrative staff.

Departments participation in Management Process:

- Each department oversees its respective academic formats.
- Faculty members are empowered to make adjustments in the routine teaching learning activities.
- Faculty members often take the lead in planning seminars, student study projects, ward counselling activities, remedial measures, interdepartmental exercises and field trips.
- Faculty has liberty to introduce creative and innovative measures for the benefit of students. For example, Botany department has the Eco-Club, the Political Science Department runs the Electoral Literacy Club,
- Faculty conducts the Parent-Teacher meetings in which the academic progress of the wards is communicated to their guardians.
- Faculty oversees the paper-setting, evaluation, and marks submission of all internal examinations and science practicals of various departments.
- Faculty focuses on remedial classes for the students' betterment.

Institution decentralizes its academic and administrative activities by constituting various committees for effective functioning of the college. Some of these committees are the Staff Council, the Examination Committee, the Admission Committee, the Library Committee, Sports and Games Committee, Research Committee and Special Fees Committee etc.

**6.3.5 Institutions Performance Appraisal System for teaching and non-teaching staff****Response:**

The institution has an effective performance appraisal system for teaching staff. An effective performance management system plays a prominent role in managing the organization in an efficient manner. In order to do this the institution is following UGC rules to implement its appraisal system.

The following categorized performance is considered for the UGC appraisal scheme;

1. Teaching, learning and Evaluation related activities.
2. Co – Curricular, Extension and professional development related activities.
3. Research publications and Academic contributions.

For every academic year the data pertaining to the above categories are collected from each faculty member in the proforma suggested by UGC. These are called Academic Performance indicators (API). Based on data collected, API scores are calculated and weightless, L are given for each of the above three categories. The principal fixes certain minimum API scores to be achieved by the faculty members in these three categories. These scores are useful to the faculty for career advancement and promotion.

Further at the end of each semester, feedback forms are issued to the students for each of the courses attended by them. The feedback forms in the form of questionnaires collect information about the teacher and different aspects pertaining to the teaching, Learning process. The duly filled in forms are analyzed by the Principal and suitable measures are suggested to improve the teaching learning process.

To improve the professional competence among the teaching staff the institution allows the faculty to

participate in various training programs i.e., Induction training ,Orientation Program/Refresher Courses/Faculty Development Programs(FDP)

Performance appraisal system of the staff includes the following mechanisms:

- Student feedback
- Peer feedback
- Parents and alumni feedback

Student feedback is taken for every year and his/her performance is reviewed. Feedback from parents at Parent-Teacher Meet, from alumni at Alumni Meet, is collected to review the performance of faculty. Based on the performance and feedback, the principal takes necessary action. The appraisal reports are analyzed and discussed with individual staff members. The faculty strengths are appreciated and corrective measures are suggested by

the Principal

Although there is no performance appraisal system followed for non teaching staff in the institute, the principal takes personal interest in guiding the non-teaching Staff. The non-teaching Staff members have assigned to work in different capacities on a rotation basis.

## 6.5 Internal Quality Assurance System

### 6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

**Response:**

Yes.

The IQAC will convene the meetings once for two months within the departments and discuss the teaching and learning process and the evaluation. The committee reviews the schedule of the academic calendar of each teaching faculty and gives proper suggestions all the curricular, co-curricular and extracurricular activities are conducted under the IQAC body.

IQAC the advisory and evaluative body was instituted in the year 2018, as per guidelines of CCE, with an aim to ensure, sustain and enhance the quality of teaching, learning, evaluation and infrastructure

Imparting quality education to the masses from the society catering to their diverse needs and fostering global competence among them.

**IQAC has been performing the following tasks on the regular**

**basis that encompass all aspects of the institution's function:**

- ICT enabled teaching learning
- Promotes research culture
- Faculty empowerment through workshops/seminars/conferences
- Promoting professional development of the staff
- Quality feedback mechanism
- Performance appraisal mechanism

Contribution of IQAC in quality assurance processes:

IQAC has suggested conducting seminars/workshops/conferences. During the last five Feedback forms for evaluation of teachers by students are developed. Feedback forms stakeholders are sought on teachers, curriculum and campus.

API scores of teachers are evaluated

Department wise examination results are analyzed and reports are communicated to the principal.

Recommended for procurement of ICT infrastructure and impart training

Motivate faculty to adopt innovative teaching learning methods

Enhanced research activities and publication of research articles

Establishing/introducing more PG programmes

Increased number of certificate courses

8.LCD projectors in classrooms

Organizing staff training programmes

Encourage faculty to conduct, field visits,

Motivate faculty to establish collaboration, linkages and MoUs.

Thus, over the years the IQAC has evolved into an all-encompassing coordinating cell which ensures quality in all its endeavours.

IQAC plays a crucial role in connecting and coordinating the various bodies in the institute especially in the matters related to the teaching- learning process in the institute. It functions as an umbrella organ engaging and interacting with all the other systems in materializing its goals and objectives.

During the assessment period the IQAC was successful in implementing and introducing several curricular, co-curricular and extra- curricular activities.

- Green initiatives in Campus – tree plantation • ISO Certifications

Upload two examples of institutional reviews and implementation of teaching learning reforms facilitated by the IQAC

Two examples of IQAC-supported institutional review and training learning reforms:

Academic review through periodical meetings:

The IQAC conduct periodical meetings with the departments, Examination Committee, Council of the staff, the principal, College Development Committee throughout the academic year in the presence of the IQAC coordinator. The principal along with academic coordinator conducts an academic review of all

departments collecting information on academic activities, such as completion of study programs, unit tests, assignments, seminars, group discussion, quiz, field trips and other activities. The teachers and students are interacted regarding the changes in the curriculum, new teaching methods and ICT use. This setup has evolved into successful review methodology for improvement in teaching and learning process.

Through this system of review, the IQAC observed the continuous development of teaching-learning process.

#### Use and enrichment of ICT infrastructure

The use of ICT tools has become an integral part in teaching -learning process. IQAC always encouraged teachers to utilize these tools in academic and laboratories. IQAC looks after the use of ICT infrastructure by faculty and students. The IQAC has advised the administration to enrich ICT infrastructure by purchasing advanced ICT tools, broadband internet Wi-Fi facility. IQAC encouraged the staff to attend various training programmes and workshops to become trained in Google Apps, , use of e-mail, handling ICT instrument etc. Establishment of virtual classroom and its maintenance is monitored through IQAC.

In teaching and learning, the feedback system is implemented to take the review of reliability and uses of ICT facilities.

## 7.2 Best Practices

**7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.**

**Response:**

### **BEST PRACTICE 1**

**1) Title of the practice: Preparation of clay idols of vinayaka and free distribution**

**2) Objectives of the practice:-**vital role of nature and how pollution is effecting human lives by the increasing global warming. They came to know the beauty of nature and tried to protect the nature by this practice

**3) The context:-**clay idols made by the students were distributed to the local people, to make them aware of the effect of Plaster of Paris & coloured Ganesh idols and how they polluting aquatic resources and animals.

**4) The practice:-**students collected clay from the river bank and made beautiful mini sized Ganesh idols and distributed idols to the local people.

**5) Evidence of success:-**so many **local people, who are aware of the importance** of clay idols and its usage, accepted the very idea and encouraged the students with this appreciations.

**6) Problem encountered and Resources required:-**those who were attracted to the beauty of plaster of Paris idols did not accept & support the clay idols idea, and it's out implementation. There is the need of outstanding awareness program about protecting nature from pollution.

### **BEST PRACTICE 2**

**1) Title of the practice: Preparation of natural colours for Holi celebrations.**

**2) Objectives of the practice:-**

Holi is played in the spring season the period induces the growth of bacteria. The usage of natural colours in this Holi time reduces bacterial effects that increase great joy. The students spread this idea into the gloomy thoughts of uneducated people, by making natural colours with their own hands by using natural flowers.

### 3) The context:-

Through this practice students learnt how human health is affected by the unnatural and inorganic products. They came to know the importance and advantages of natural colours while celebrating holi, and to make the life happy by filling with natural colours.

### 4) The practice:-

Students collected “modhugu flowers” from nearby the forest, boiled the flowers in hot water until the water becoming into saffron colour. After making it cool all flowers were removed and used that saffron colour liquid to play holi. They spread this idea each and everyone whom they knew.

### 5) Evidence of success:-

So many were accepted this idea and practiced to use “modhugu flowers” in making natural colours to play holi.

### 6) Problem encountered and Resources required:-

Those who want different colours to make their friends suffer with sticky colours were not accepted to use this natural colour.

## 7.3 Institutional Distinctiveness

**7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words**

**Response:**

**Response:**

“Keep our country clean by keeping our area clean”

Adoption of Budakalan village, Mandal Bellampally, Dist. Mancherial selected for Eradication of Open defecation by motivating the villagers to construct the septic toilets.

Our institution was established in the year 1987 with the intention to provide education in the backward areas of district mancherial. We have emerged with specific vision and mission in order to infuse social awareness and responsibility apart from education. In accordance with the mission statement, HEI gives the students maximum exposure for participation in extracurricular, extension activities and social service. As United Nations observed 19th November as World Toilet day with an aim to solve the global sanitation crisis, as a part of this view, our institution started awareness programme on eradication of the practice of open defecation.

With this view, our college has a definite mission to function uniquely, innovatively and distinctively from other institutions. So far as our vision and mission is concerned, college tries to improve the distinctiveness in health and hygiene. Our college is located in a rural area surrounded by many villages which are socially and economically backward, lacking awareness in respect with literacy, health, sanitation and superstitions. As a part of health and hygiene committee activities, our college (NSS unit) has identified and adopted one of such backward villages i.e., Budakalan which is 5 kilometers away from the college to spread awareness especially in the case of harmful effects of open defecation and worked as per our mission statement regarding health awareness. Our aim is to eradicate open defecation in the adopted village i. e. Budakalan so as to make it a clean and healthy village.

As a part of this, our college NSS unit volunteers and the staff conducted survey in the village by forming the volunteers into batches under the supervision of NSS Programme Officer and staff. The primary data was collected and analyzed.

Our college students conducted awareness programmes by rallies, meetings door to door campaigning with pamphlets, door stickers etc. on health hazards caused by open defecation, importance of individual hygiene, cleanliness of the surroundings and construction of toilets. In these programmes village sarpanch Dadi Nagesh, NREGS A.P.O. Venkataramana, NSS programme officer Gajelli Mohan, Principal Ch. Bhaskar, president of village organisations Ch. Anasuya, secretary Kamala, Sakshara Bharathi coordinators Shirisha, Varalaxmi, IKP Community Activator Karunakar participated and addressed.

We motivated the villagers towards the construction of permanent septic toilets by utilizing the financial support offered by the various Government schemes.

Since 2013 we have been striving for a change about this behavioral sanitation issue.

At last we became successful through the campaign especially in wiping out the following outdated ideas:

You may be possessed by demons if you use a latrine.

We are just continuing our ancestors' way of life.

Latrines are only meant for wealthy people.

It is embarrassment to be seen approaching a toilet

After being aware of open defecation, lot of people has started constructing the toilets. Ultimately we have succeeded in making majority of the villagers aware of open defecation.

Most of the houses of this village become totally clean, sanitized, healthy and livable with a special focus on hygienic and affordable sanitation for the poor and women.

Main aim of the campaigning on open defecation :

Focusing on the dignity of women.

Creating awareness about the various health hazards associated with open defecation

Busting the myths and superstitions associated with toilet usage

Through the NSS unit students are motivated to attain social consciousness, alertness, responsiveness .

## 5. CONCLUSION

---

### Additional Information :

The Government Degree College, Bellampally is an institution established in 1987, to provide higher education to the students especially to the rural students who are first generation graduates. It is striving hard to provide quality of education and for achieving excellence. The systematic and well planned efforts of the college in this regard are reflected in the criterion wise summary. The college has created emotional card of relations with society by organising various awareness programs of their concern and sensitizing them about scientific temper, eradication of social ills, environment awareness and relief measures for needy people. College has yet to make a big leap in the area of MoUs to make available employability opportunities to the rural youth. We feel proud about our alumnae and present students due to their placement in private and public sector. We are thankful to the society and NAAC for giving us the opportunity to improve ourselves and develop the college campus.

### Concluding Remarks :

#### Concluding remarks:

The college is steering on the path of progress with steep increase in enrollment in the last two years due to the commendable efforts of the staff put into it. Apart from the strength improvement new courses have been increased during the last two academic years.
