GOVERNMENT DEGREE COLLEGE KHAIRATABAD
DEPARTMENT OF ZOOLOGY
BEST PRACTICES 2022-2023

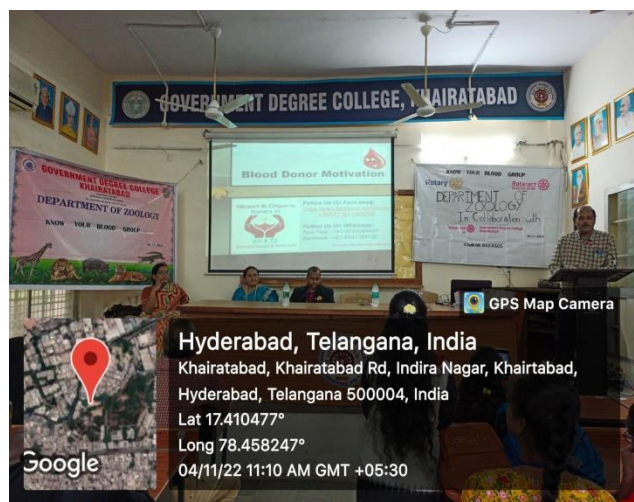

Know your blood group

Department of Zoology in Association with Rotaract Club-GDC Khairatabad has organized “Know Your Blood Group” program on 4th November 2022. This program is sponsored by “Rotaract Club of Youth United”. Mr. Santhosh (from Community service Rotaract Club) and Ms Laazwanthi (President, Rotaract Club of Youth United) participated in the program on behalf of Rotaract Club of Hyderabad.

Mr. Santhosh enlightened students about the importance of knowing their blood group which plays a significant role in blood transfusion (blood donation and blood receiving). He explained how a blood donor can save life of another person who is in need of blood either due to accident or due to diseases like thalassemia. He also explicated about organ donation. Students of all groups enthusiastically participated in the program. Around 150 students got their blood tested. Our beloved principal and lecturers of Zoology also got their blood group identified to encourage the students to get their blood group identified.

Staff involved: Ms Suprabha Panda, Dr. P Anuradha, Dr. K Vijaya Prasada Rao.

No of students attended: 150

Blood grouping to NCC students

The department of Zoology, as per the request of Dr. P Vijaya, ANO, GDC Khairatabad, has conducted blood grouping analysis for the first year students who are enrolled into NCC on 2/12/2022 and 3/12/2022. The staff and students of the department actively involved and performed the blood grouping analysis to the NCC students. 40 students volunteered in the program and their blood group is identified.

1. Observing various international days of zoological importance and health.

Every year various international days of zoological importance and health are being observed in the department. This activity helps students gain general knowledge about zoology and health apart from the one they get from the curriculum. It also encourages the students to motivate them spread among people the importance of health.

A) World mosquito day 2015

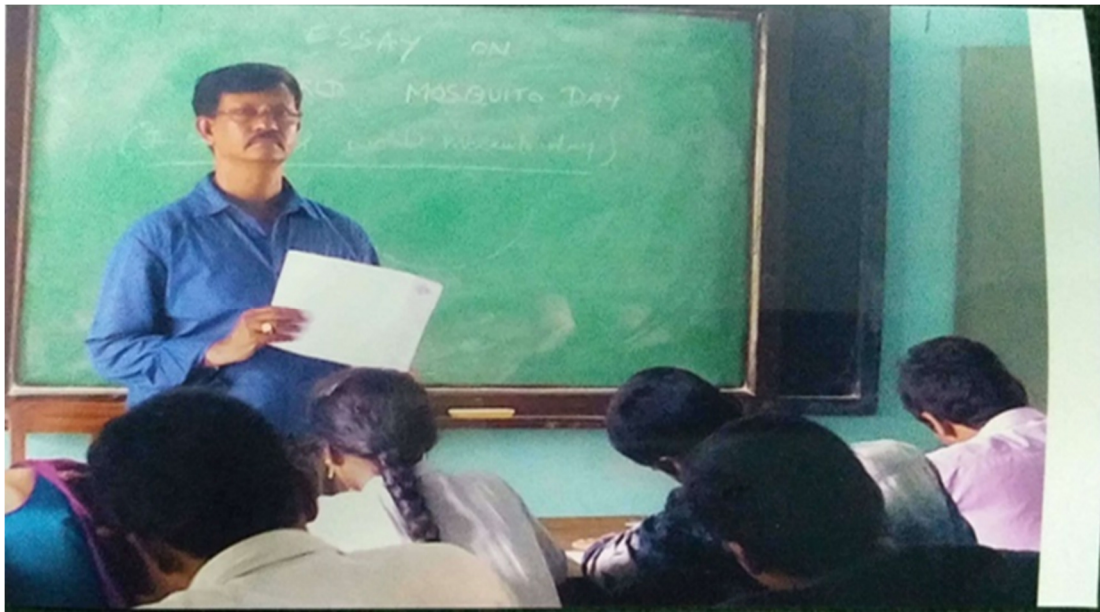

The Department of Zoology has organised essay writing competitions among students on the occasion of World Mosquito Day on 20-8-15. The competition has helped the students in recollecting and improving their knowledge on Mosquitoes and their role in public health. 30 students have participated in the competitions.

B) World Mosquito day 2016.

World Mosquito Day is celebrated on 20-8-2016 to spread awareness about diseases caused by mosquitoes. Assisting the people to take precautions regarding the spread of Malaria and other deadly diseases caused by mosquitoes is a primary activity for the day. On this Occasion the Department of Zoology has organised essay writing competitions among students. The competition has helped the students in recollecting and improving

their knowledge on Mosquitoes and their role in public health. 25 students have participated in the competitions.

C) World AIDS day 2016

The World AIDS Day was observed on 1st December 2016 by the Department of Zoology. On this occasion essay writing competition was conducted to Students On “HIV-AIDS” / “Adolescent, Health Nutrition and Hygienic Habits”. 33 Students actively participated in the competition.

D) World Mosquito day 2017

World Mosquito Day is observed on 20-08-2017. On this occasion Essay Writing competition was conducted on 21-08-2017 for 1st, 2nd, and 3rd year BZC (T/M & E/M) students. 30 students actively participated in the competition and prizes were given to winners.

E) World AIDS day 2017

World AIDS Day was observed by Department of Zoology on 1st December. On this occasion Students and staff of Zoology Department conducted a rally in the chintalbasti area to bring awareness on aids in the adolescents. 50 students actively participated in the rally.

F) World AIDS day 2019

The department of Zoology has organized AIDS awareness programme in association with Telangana Aids Control Board. Essay writing competitions on “preventive measures of HIV-AIDS among youth” was conducted by the Zoology department for first, second and third year students. 100 students participated in the competition.

G) World AIDS day 2021

Department of Zoology , Biotechnology, Bhagya committee in collaboration with Telangana State AIDS Control Society, conducted an awareness program on AIDS on 01-12-2021, the speakers Dr. Mehervani chaduvula and Dr. C Sreedhar gave a presentation on how AIDS spreads and the Preventive measure to students and staff of GDC Khairatabad.

Staff involved in Program is Ms Suprabha Panda, Dr. Anuradha, Dr. K Vijaya Prasada Rao from department of Zoology.

Students participated: 82

2. Hemoglobin estimation and blood group identification

Most of the students of this college are from rural areas. They may not be having knowledge about their blood groups and their haemoglobin levels. Most of them may be suffering from anaemia, but they don't know it.

In this background, we decided to conduct an activity where blood groups and Hemoglobin levels of all zoology students are estimated.

A) Hemoglobin estimation and blood group identification 2016-17

B) Hemoglobin estimation and blood group identification 2017-18

Blood Group Identification Haemoglobin Estimation was done to estimation to BZC students on 16-02-2018. This program was done with a slogan "KNOW YOUR BLOOD

GROUP – SAVE THE LIFE OF OTHERS". Besides haemoglobin estimation was done to assess their haemoglobin levels. Those students who are found to be anaemic previously have now high levels of haemoglobin as they consulted physician and took proper diet which have high levels of iron B12 and folic acid. Those who are found to be anaemic in the present tests are advised to consult physician and take proper diet containing high levels of iron, B12 and folic acid.

C) Blood group identification 2018-19

Zoology department organised Blood grouping test to non-zoology Students. To create awareness about blood grouping among non-Zoology Students. 30 students participated in the program

3. Blood donation awareness program

Blood donation awareness programme conducted by Zoology department on 15th and 16th April 2019. Staff nurse Kavitha from Sarojini Devi Govt. Eye Hospital explained about safe blood and about blood donation importance to the students. Around 31 students participated in the program.

Blood donation awareness program was conducted on 15 and 16th April 2019

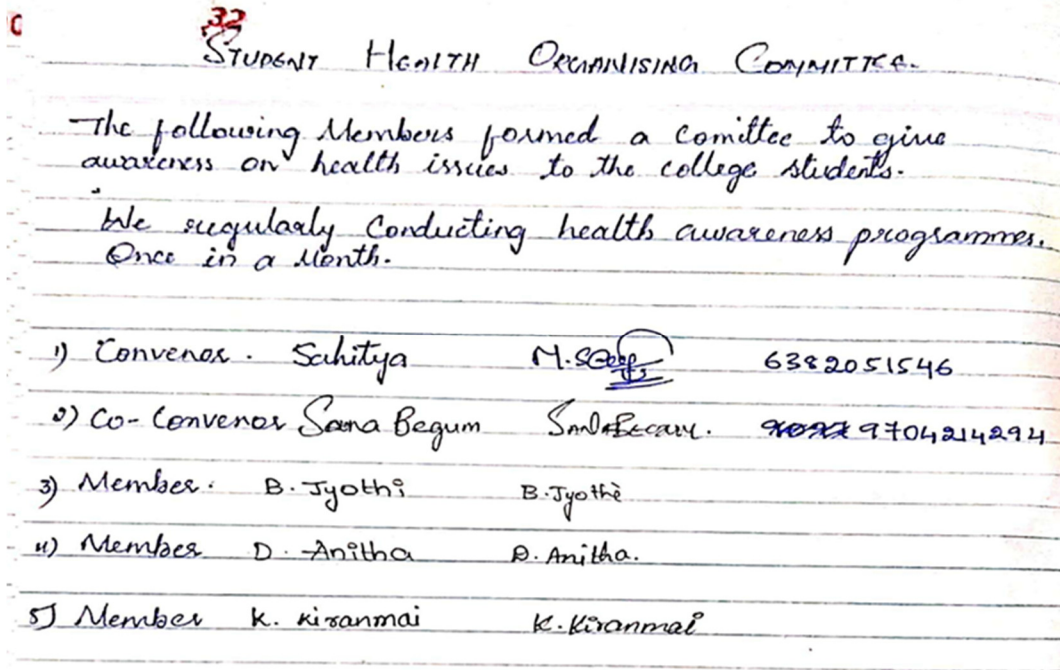

4. Awareness on Tobacco free campus

To create awareness in the students and faculty of the college, the department of Zoology has organized an activity where students publicized the ill effects of tobacco chewing and smoking.

5. Student health organising committee

Students were grouped to form a committee called "Student Health Organizing Committee" and to create awareness on various health issues among students.

Members of the committee have performed a skit on "Awareness on Aids" on 20-01-2020 to improve the consciousness of AIDS in students

20th Jan/2020.

On 20th of January we Organised and helped a rally to the other Organisers actively to conduct an awareness programme on AIDS by the department of Zoology And performed a skit on AIDS Awareness.
