Dept of Political Science
Best Practice

MOCK Parliament

Objectives :- To create awareness among the students about Parliamentary practices and procedures.

To develop Communication skills and inculcate democratic values among the students.

The Context :- Most of the students were unaware of the current affairs. They lacked confidence in expressing their views on political issues. The department initiated the Mock Parliament programme to improve their Communication skills and knowledge.

The Practice :- The department started conducting the Mock parliament and Mock Assembly where in the students were encouraged to participate in the programme. The students were motivated to present their ideas in the debates and discussions.

Evidence of the Success :- Initially the participation was less but gradually it improved. They were eager to participate and show their speaking skills and leadership skills.

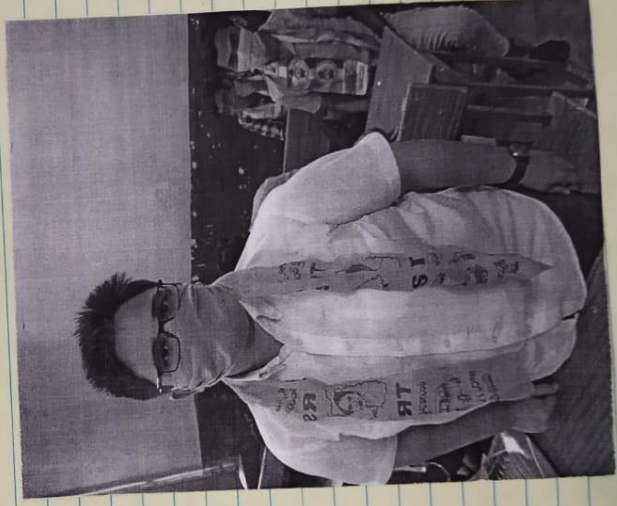

Problems Encountered and Resources Required :-

Motivating the students was a problem in the beginning. Some of the students were facing English language problem. The department can conduct the programme with more learning resources and budget.
