## **Record of Commerative Days**

2022-2023

### "World Soil Day"-2022 05-12-2022

Soil is an Important element essential for the survival of livingorganisms. It also helps minimize the impact of climate change and promote healthy ecosystems. Soil is polluted by man. Soil pollution is an environmental issue that concerns every aspect of life.

In this context, on the occasion of World Soil Day, the Department of Botany, Dr. BRR Government Degree College, Jadcherla conducted a National Online Quiz on "World Soil Day" to raise awareness on conservation of Soil on the occasion of "World Soil Day"–5<sup>th</sup> December 2022. The Quiz link is circulated through WhatsApp groups. Those who received 40% of the marks received an e-certificate.413 members participated in this quiz.

Link to participate in the quiz: https://forms.gle/nTRY8SJZKPYBJLhP7

### World Soil Day Celebration 5-12-2022

Department of Botany and Eco Club Dr.BRR Government Degree College, Jadcherla, organized World Soil Day Celebration on 5<sup>th</sup> December, 2022. College Principal Dr. Appiya Chinnamma presided over the meeting. Principal said that humans should have a natural lifestyle, wear cotton clothes and it is the responsibility of all of us to preserve the Earth. **Head of Department of Botany & Eco Club Convenor P. Srinivasulu** said that one tablespoon of soil contains more organisms than the human population of the world, and these organisms support the growth of plants, and if the soil was devoid of saprophytes, the entire ground would be home to dead carcasses and littered with debris, making it impossible for humans to walk. He said that the entire soil is cleaned by the invisible bacteria present in the soil.

Dr. B. Sadasivaiah, Telangana Botanical Garden Coordinator and Botany Lecturer said that not only in science but also in our culture and traditions, the necessity of mother soil has been explained, and nature conservation is possible only by preserving the soil. Head of the Telugu Department, N. Subhashini said that nature provides many resources to mankind and the gratitude of humans to nature is to use these natural resources in a way that provides them to future generations. Head of English Department Tirupataiah said that soil conservation should start from our home, separate the wet and dry garbage generated in our house and make organic manure from the wet garbage. Botany Lecturer K. Latha said that the mother carries the child only for the first few months but the earth mother carries us not only during her life but also after her death and urged us to protect such an earth mother.

On this occasion, a painting contest is held with the theme "Soil - the First Step to Food" and. The topic of "Soil - the basis of life" is the topic of elocution contests. Ravi, Sri Lakshmi, and Nitin B won first, second, and third place in the elocution events. The consolation prize issued to Azma B.Z.C first year. M. Venkatesh, B. Z. C. II Year, M. Karishma, B. Z. C. I Year, and Yashwanth, B.Z.C. I Year, respectively, earned the first, second, and third prizes in painting.

# World Wetland Day Celebration 2-2-2023

The Department of Botany, Dr. Burgula Ramakrishna Rao Government Degree College, and Jadcherla organized awareness programme on "World Wetlands Day" on Thursday 2<sup>nd</sup> February 2023 on the occasion of World Wetlands Day. Principal Dr.Ch. Appiya Chinnamma, who presided over the event, said that biodiversity in wetlands is of great importance to global biodiversity and it is our responsibility to protect it. P Srinivasulu, Head of the Department of Botany spoke about the wetlands, their biodiversity and the reasons for celebrating this Wetland Day and the Manswar Convention which describes the protected wetland areas around the world. Dr. B. Sadasivaiah, Coordinator of Telangana Botanical Garden, said that the wetland area in the garden has been artificially created as a water pond thereby preserving the aquatic life. Telugu Department Head N. Subhashini said that man is a part of nature, but nature is being destroyed by selfish actions of man, and the hidden meaning behind organizing special days like this is that it is time to preserve them. Zoology lecturer K. Subhashini said about the importance of phytoplankton in wetlands in carbon fixation and said that it is okay if we don't do good to nature but we should not do anything that harms it. On this occasion, Elocution competition is organized for the students. Azmi, Shailaja, Pravallika, Vamsi, Mahesh, Karun, Harikrishna participated in these competitions and tested their rhetoric. Prizes are awarded to the best performers. Faculty member K. Latha and students are participated in this program.

### National Online Quiz on the Occasion of World Biodiversity Day 18.05.2023

Humans' insatiable appetite leads to overexploitation of natural resources, which is the primary drive of biodiversity loss. This one earth is insufficient to meet the current demands of humans, and a half-earth is still required.

As a result, The Department of Botany in association with Eco Club, Dr. BRR Government Degree College hosted a National Level Quiz on Biodiversity on the occasion of **International Biodiversity Day, 22 May 2023** to raise awareness among the participants and released on 18-05-2023. The Quiz link is circulated through WhatsApp groups. Those who received 40% of the marks received an e-certificate. The test was launched on May 18, 2023; a total of 241 from different states of India, and this college participated in this quiz.

### **International Day for Biological Diversity**

### 22-05-2023

The Department of Botany, Dr. BRR Government Degree College, and Jadcherla celebrated International Day for Biological Diversity on May 22<sup>nd</sup>, 2023 and organized an awareness program. College Principal Dr.Ch. Appiya Chinnamma presided over this program and said that we should all participate in the conservation of Biodiversity. Every living thing in the Environment is essential for the survival of the future generations, so sustainable development can be achieved only when there is a balance in the environment in nature.

Head, Department of Botany P. Srinivasulu explained the importance of World Biodiversity Day. He reminded us that every creature in the nature has the right to live, so we should live and let other creatures live too and explained the destructions being done by humans in the name of development, and it is our responsibility to stop them.

Dr. B. Sadasivaiah, Telangana Botanical Garden Coordinator spoke about the theme of this year's Biodiversity Day, "Agreement - Action". It is informed that the Telangana Botanical Garden of the college is protecting endangered species under the auspices of the Telangana State Biodiversity Board as a reflection of the theme of Biodiversity Day. It is a matter of pride to preserve the endangered species in the botanical garden. Lecturer K. Latha and students participated in this program.

### **Celebration of Carolus Linnaeus's Birth Anniversary** 23-5-2023

On the occasion of the birth anniversary of Carolus Linnaeus, on May 23, the Department of Botany at Dr. BRR Government Degree College, Jadcherla, organized a program under the direction of P. Srinivasulu, Head, and Department of Botany. The father of taxonomy, Carolus Linnaeus, is honoured by the Department of Botany. The Department of Botany held competitions named "Recapitulation of Scientific Names of Plants". This program was attended by 50 students in total, and 15 of those students competed. The winners receive their prizes. Students as well as P. Srinivasulu, Head Department of Botany and K. Latha Lecturer in Botany participated in this program.

## National Quiz on World Environment Day 05-06-2023

**World Environment Day** is observed every year on June 5 and is aimed to support global environmental conservation. The goal of the day is to raise awareness among a rising number of people about the need to take specific steps to combat the growing pressure on Earth's natural ecology.

In view of this, The Department of Botany hosted a National Quiz on Environmental Knowledge as part of our efforts in this arena. Those who secured 40% of the marks will receive an e-certificate. A total of 201 participated in this quiz.

# National Online Quiz on World No Tobacco Day 26-05-2023

Tobacco use is a leading cause of cancer, lung disease, heart disease, and cardiac stroke. Tobacco kills 1.35 million individuals in India each year. Smokers live 10 years less than non-smokers on average.

In light of this, The Department of Botany held a National Level online quiz on Tobacco issues on the occasion of World Tobacco Day-31st May 2023 to raise awareness among participants and was released on 26-05-2023. Those who secured 40% of the marks will receive an e-certificate. The Quiz link is circulated through WhatsApp groups. A total of 46 students participated in this quiz.
