BHAINSA**

IQAC

STRATEGIC PLAN FOR THE ACADEMIC YEAR 2022-23

1. All the teaching and non-teaching staff must focus on the first year admissions through Dost – 22 are higher than the previous year. Admission campaign must be conducted by the staff members far and wide in the region of Bhainsa to ensure a good number of admissions
2. The abundant greenery in and around the campus must be maintained properly. The institution must participate in the Green audit.
3. Though the Alumni association has been functioning very effectively in the institution, the involvement of the alumni in the developmental plans of the institution must be given priority.
4. To ensure a good attendance of the students, the mid-day meal programme must be continued as a norm. The required financial assistance for the programme must be procured from the local philanthropes, government agencies and alumni association.
5. Students must be encouraged to take part in annual Jignaasa student study project competition. Every department must come up with at least one student project.
6. e-content must be developed by the teachers for the benefit of the students. And it should be made available for the students through online social platforms and college website. Online classes also must be conducted as per the schedule if any such necessity arises.
7. A national seminar by the department of Botany is being planned in the month of October – 22.
8. TSKC-TASK must plan extensive skill development programmes and job drives.
9. All the departments must concentrate on conducting at least one certificate course.

10. All the departments must sign MoUs with external agencies to provide a scope additional knowledge to the students.
11. Community service should be made a part of the daily routine of the students. A blood donation camp is being planned through NSS unit of the institution.
