Field Trip to Agriculture Lab 1 25

A field trip to carried out by the Dept of zoology on 10/5/2023 to soil testing laboratory office of the Assistant director, Agriculture dept Tadcherla. In this visit the students learnt how to measure the pH of soil and different kinds of soil tests measuring the phosphorus and other salts present in the soil samples.

The students learnt about the suitability of soils to different crops. This trip was fruitful and students learnt about soil tests and the importance.

The students were accompanied by Smt K. Subhashini assistant professor of zoology. She explained about various concepts of soil test.
