Webinar Report

The department of Statistics has organized a Webinar in association with IQAC in online mode on the Zoom platform. The topic of the workshop is "R-Software". This event held on the date 27.03.2023 at 11am continued up to 1.00 pm. The convener of the webinar is Dr T. Vijayalaxmi, Head of the department of Mathematics, NTR government Degree College for women, Mahabubnagar. Resource person is Dr. P Rajini Assistant Professor, Dept of Mathematics and Statistics, Bhavan's Vivekananda college of science, Humanities and Commerce, Telangana. Madam has explained the importance and uses of R-software and analysis of data. Madam explained about the data types included in the data analysis such as logical, complex, numeric, character, integer, raw data types. Explained about the data analysis by an example: information on new born babies and their parents and encouraging more number of students to analyzing the data. Total 210 students and faculty have registered for the webinar. Faculty and many students expressed their satisfaction with the webinar through the feedback forms. E-certificates were released to the students to their respective mail IDs on sending their e-feedback forms.
