Resource Person: Sri. K. Chandra Shekar
Designation and address:
 K. Chandra Shekar   Lect. In Computers
Scholar of CAPITAL UNIVERSITY

Topic of the lecturer:

<div align="center">**Networks of Computer**</div>

Objectives of Guest Lecture:

They provide students with alternative perspectives, opinions, and personal experiences that can reinforce the teachings of the instructor. The guest lecture may have stories or anecdotes other than those used by the instructor.
- To convey information about management in organisation
- To stimulate motivation and interest in the subject area
- To make classes more approachable
- To contribute to the teacher's knowledge and practices
- To promote knowledge and experiences by sharing in between
- To enrich the students with latest updates
- To explore particular subject with interactions

The department of Computers has organized a guest lecture on **Networks of Computer** for the students of B.Com.1st year on 14-02-2023. Fifty five students of B.com attended the class.

The speaker for the lecture was Sri. K. Chandra Shekar, working as a Lecturer in Computers, from Scholar of CAPITAL UNIVERSITY

He is one of the senior faculty members of Computers subject at UG level with nearly 10 years of experience. He discussed the computers networks.

He has guided the students for the future experts in the programming development software and networks. The session was very much interactive and motivated the students towards computer networks. As per the feedback collected from the students the session was very much informative to the students.

Sri. K. Chandra Shekar Delivering lecture

Conclusion :

The invitation of experts as guest lecturers offers students the opportunity to meet passionate, committed and critical people and to learn from them in various ways. Guest lecturers provide an important educational experience for students based on their real-world life experiences. Students get to see the insight and perspective of the guest lecturers' specific field. The format can enable students to interact with professionals in formal and informal settings
