## OUTCOME OF PROGRAMME

1. Crypto currencies can help transfer funds globally.
2. The transactional cost with the help of crypto currency can be minimal or zero.
3. It is negligible as it eliminates the need for third parties like VISA to confirm transactions.
4. Crypto currencies will be very attractive to terrorist organizations when it will reach a combination of high anonymity or low traceability.
5. There is great volatility of crypto currencies exchange rates.
6. There growth has been able to gain the attention of many speculators.
