Report on Field Survey

Schedule of Field Survey

(15.12.2022 to 18.12.2022)

S.No.	Date	Activity
1	15.12.2022	Report on Health issues
2	16.12.2022	Report on Water Resources
3	17.12.2022	Report on Agriculture
4	18.12.2022	Report on Milk Production

Field survey – Day wise reports

Department of Mathematics and Statistics of NTR Government Degree College for Women Mahabubnagar organized a four days' field survey at Appannapally village from 15.12.2022 to 18.12.2022 on the various resources.

Day1: (15.12.2022)

Inaugural ceremony for field trip at NTR Government Degree College(W)

We have visited Appannapally village to conduct the survey on Health Issues. There students have visited the houses in the village and collected the health data in each and every house and made the Appannapally people to learn about the health and hygiene and also about keeping the surrounding areas clean and sanitized.

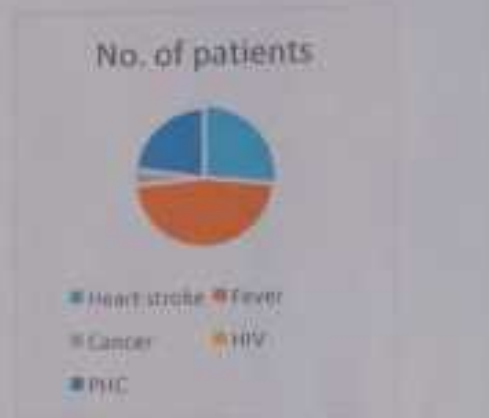

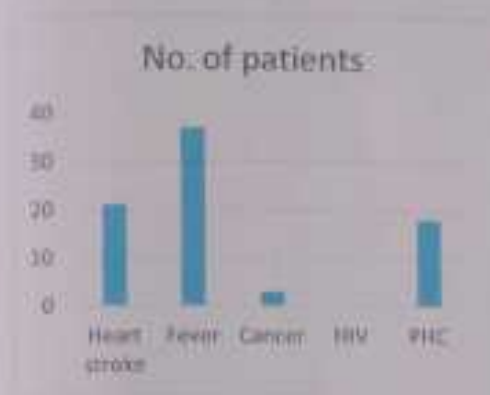

Survey on health issue

Survey on health issues

Type of disease	Heart stroke	Fever	Cancer	HIV	PHC
No. of patients	21	37	3	0	18

Day-2 (16-12-2022)

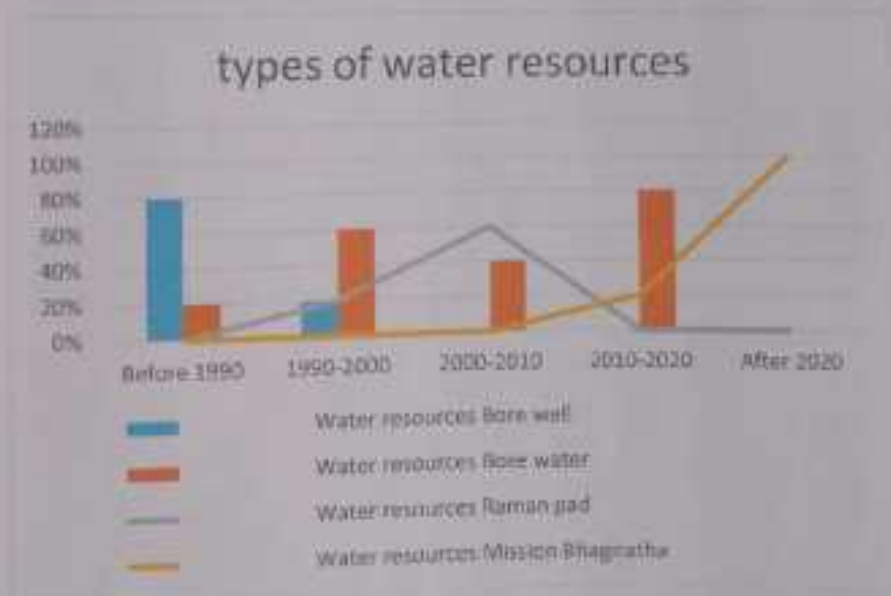

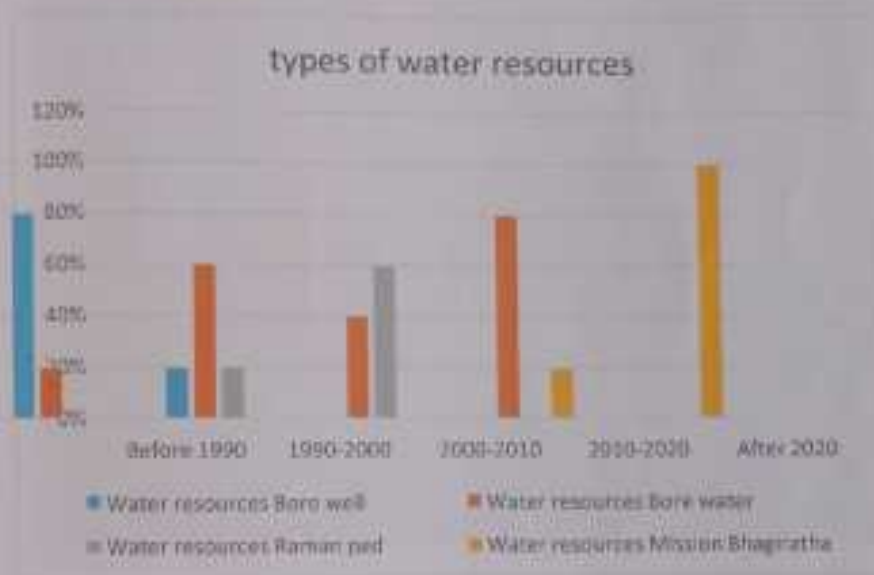

We have visited Appannapally village for conducting water resource survey, students have learnt about the mission Bhagiratha and also about the situation before the mission Bhagiratha, as the people in this village used to get water from bore wells, and sometimes Ramanpad water. Students in this survey motivated the people to learn about sustainable use of water.

Survey on water resources

Types of water resources

Year	Water resources			
	Bore well	Bore water	Ramanpad	Mission Bhagiratha
Before 1990	80%	20%	0%	0%
1990-2000	20%	60%	20%	0%
2000-2010	0%	40%	60%	0%
2010-2020	0%	80%	0%	20%
After 2020	0%	0%	0%	100%

Day-3(17-12-2022)

We have visited Appannapally Village for conducting agriculture survey, we have learnt that people in this Village have good knowledge regarding government schemes such as Rythu Bandhu and pm Kisan Yojana, the people love farming and they cultivate different types of vegetables and rice by conducting these survey students have got adequate knowledge regarding plantation and Agriculture works

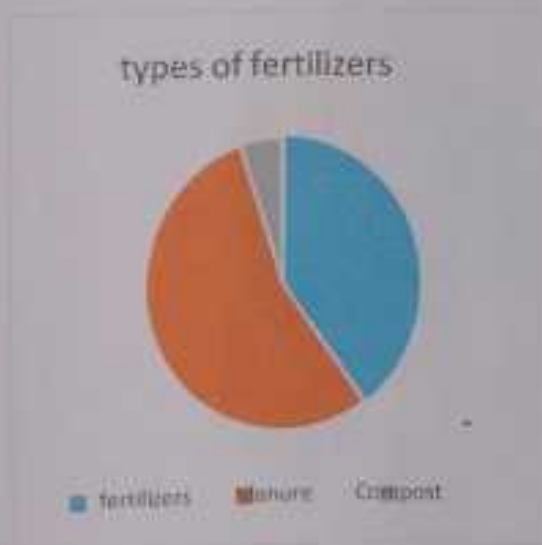

Survey on Agriculture

Survey on Agriculture

1. Types of fertilizers applied

Fertilizers	Manure	Compost
40%	55%	5%

vy-5(18-12-2022)

We have visited Appannapally Village on the purpose of conducting survey on milk production, there students learnt about collecting milk from cattle and also about the cattle food that given by farmers and they also learnt how this milk sent to the marketing such as milk shops, houses and hotels etc.

Survey on milk production

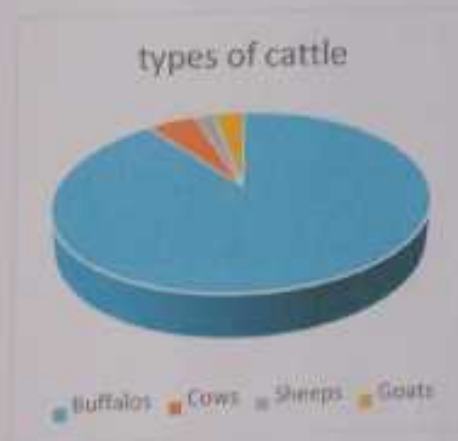

1. The grass they cultivated on the farm

Napier grass	Guinea grass	Star grass	Ruzi grass	Plicatum grass
50%	20%	10%	15%	5%

2. Types of cattle they rear

Buffalos	Cows	Sheeps	Goats
90%	5%	2%	3%

Thank You!
