CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Sound outlined mechanism is established to implement the curriculum and thedocumentation of all records. The Principal, Staff Council, Academic

Coordinator, Head of the Department and lecturers are part of institutional mechanism. As this institution is affiliated to Kakatiya University, we follow the curriculum set by the university. As an affiliated institution we don't have the flexibility to modify the curriculum issued by the university. For implementation of curriculum at the institutional level, one senior lecturer is appointed as an Academic Coordinator. Apart from monitoring the curriculum, he takes the responsibilities of conducting different university examinations and the documentation of its results. One committee is established with the heads of all the departments to prepare the Time-Table and monitoring of all the records at department level. Every lecturer has to follow the timetable finalized by the institution level committee. He/ She has to prepare an Annual Teaching Plan and has to strictly implement it. Based on Academic Annual plan, he/ she has to maintain the teaching diary. Giving assignments, timely conducting internal examinations and slip tests are the other duties of a lecturer. At the department level, all kinds of records are maintained to monitor curricular and extracurricular activities. Choice Based Credit System was introduced in all the programmes of the institution from the academic year 2016 - 2017 with provision for electives in the 5th and 6th semesters. Environmental Studies, Gender Sensitization, Communication Skills in English, Computer Basics and Automation, Multimedia Applications, Banking and Insurance and Soft Skills are some of the cross-cutting subjects which have been integrated into the curriculum. Curriculum of Telangana Skills and Knowledge Centre (TSKC) contains elements of soft and life skills. This curriculum is for all the semesters. The institution strictly adheres to Academic Calendar of the affiliating University.

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>Feedback is collected from the different stakeholders like students, alumni, parents and the teachers. As students are the main beneficiaries so a detailed feedback is collected from them. For this purpose a questionnaire with multiple choice questions based on scaling system is prepared in certain format and the feedback is ascertained. In this a student has to give their opinion about the teaching quality of a lecturer, coverage of syllabus, using of ICT and the facilities availed by the student. At the end of the questionnaire student has to express his overall impression about the college. Students feedback is analyzed at the three levels, first at department level, Staff council level and in the staff meeting. Coverage of syllabus, teacher performance, use of teaching aids and issues related to timetable are analyzed at the department level. Issues relating to facilities available to students, maintenance of toilets, laboratories, reading and learning facilities, computer labs and any other issues raised by the students are addressed in the Staff Council meeting. Plan of action for the betterment of institutional performance, based on student feedback is designed in the staff meeting. Parent meetings are conducted twice in a year, at the beginning of each semester. Their suggestions will be taken in positive manner and addressed.</p>

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

Our institution has no separate council for students. But under Mentor-mentee system regular meetings are held with student representatives. Through these sessions of interaction, the issues faced by students in academic, administrative or any other domain are discussed and decisions taken accordingly for the smooth functioning of the institution. Student representatives are accommodated in IQAC committee, anti-ragging cell and grievance redressal cell and are free to express their opinions and ventilate their grievances. Besides the representatives, any student can express their ideas about the functioning of the college in all matters of administration and

academics in a peaceful and congenial atmosphere. The college staff makes attempts to address the problems about basic facilities after taking necessary resolutions for rectifying the deficiencies and implementing corrective measures. Activities like conducting fresher's day, annual sports/games day, cultural day, are conducted by taking into confidence the class representatives, and their opinions. Students have a part in designing, planning and implementation of the programs. They are involved in various curricular, co-curricular and extra-curricular activities as nominated members.
