Observation/ suggestions:

1. Include more number of field trips for the related subjects for better learning.
2. Provide placements for Science streams and Masters programs
3. Increase more ICT tools in classrooms for effective Teaching-learning process.
4. Please cancel the semester exams in this pandemic situation
5. Organise frequently webinars/seminars by experts for students in the current fields
6. Upgrade the laboratories equipment and maintain it.
7. Provide extra classes for personality development for students.
8. Provide a sufficient number of working computers in computer laboratories for practicals.
9. Increase more smart classrooms
10. Provide short breaks between classes and also reduce the college timings especially for Final year students.
11. Focus on students' mental health and encourage them to look into the brighter side

Key findings from the survey:

1. More than 50% of students have expressed complete satisfaction over the quality of Teaching Learning in our college.
2. More than 70% of students have expressed that the teachers were able to communicate properly.
3. Students have appreciated the teachers' attitude towards teaching and fairness in evaluation. However, they have requested for more student exchange programmes.
4. Teacher's preparation, communication, use of appropriate teaching pedagogy and fairness of internal evaluation has been rated high in the survey.
5. The college provides ample opportunities for cultural activities, sports activities and extracurricular activities.
6. Students appreciated teaching and implementation of learning outcome-based curriculum which includes continuous evaluation and assessment of students throughout the semester.
7. Students have also acknowledged that the organisation of National seminars, workshops, Hands-on Sessions and interdisciplinary learning programmes, NCC Camps, NSS Camps, helped students in learning other subjects/aspects which were beyond their prescribed curriculum.

The SSS has also pointed out a few grey areas where the college/ teachers/ departments do have scope for enhancement in quality of education. They are as follows:

1. Institute needs to promote internship and field visit opportunities more.
2. Formulate mechanisms which will identify strength and weakness of students and provide them with the right level of challenges and help them to overcome their weakness.
3. Enhance use of ICT in teaching and equip laboratories with more resources.
4. Teachers should encourage research culture amongst students.
5. More emphasis on skill development and hands-on assignments, inclusion of seminars, workshops and field visits for typically one subject.
6. Active mentorship especially for career guidance.
7. Design interdisciplinary courses.
