Topic Career Guidance

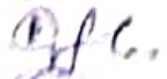

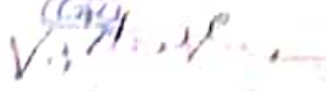

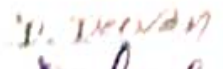

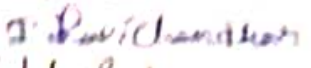

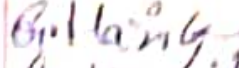

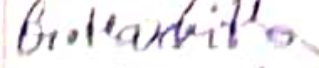

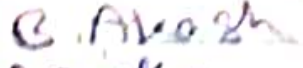

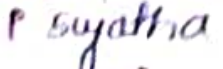

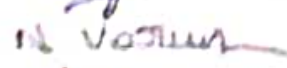

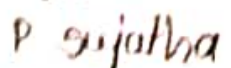

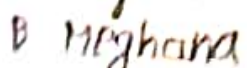

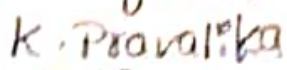

Lecturer Given by U. Mukundam, Lect in computers

Career Guidance is a formal way for people to receive advice on their career at different stages. Along with this advice, that process often involves formal programmes that help people both plan and resolve any doubts they may have in their career.

The following topics are covered in that program.

- what is career / job
- what are your skills
- what is counselling
- Setting goals
- Action plan
- Psychology platform
- Updated knowledge
