@@@@

We are happy to inform you that the 6-days training Programme conducted by Mahindra Pride Classroom, Naandi Foundation in Collaboration with Telangana Academy for Skills and knowledge (TASK) from 20-02-2023 to 25.02.2023 was really helpful for the final year students of our College. It was observed that all the students got equipped themselves with the required skills to enhance their confidence levels. The kind of tips that are given to the students for the overall development is certainly helps them for their future employment prospects in the corporate sector. As most of the students belong to the rural background, such training programmes are not only provide them an opportunity for improving communication skills to get employment but also going to be useful to act as a role model among the peer group.

We are looking forward for such well designed training programmes which are indeed useful for students to develop their skills for future career opportunities. We also extend our sincere and special thanks to Mahindhra Pride Classroom team and wish to continue same cooperation in the future to conduct such training sessions every year in our institution.

Thanking You,
