**ACTION TAKEN REPORT**  
(2022-23)

The Resolutions taken in the IQAC Meetings (04) for the Academic Year 2022-23 have been complied with as per the resources available within the institution.

- **Admission Drive** : In the tough competition with private institutions the institution could attract students from different social strata to enroll through DOST. 340 students joined in first year which is a remarkable number in the district.
- **Research** : IQAC could inculcate research aptitude among the teachers and students partake in the JIGNASA Student Project organized at the State Level by the Commissioner of Collegiate Education. Eight Projects were selected for presentation at State Level.
- **Campus Greenery** : With an intention to maintain quality environment the institution has maintained and sustained greenery on the campus and secured 'A' Grade in the GREEN AUDIT (2022-23)
- **Drinking Water** : The institution could provide safe drinking water to students with a 300 liter purifier for the health and hygiene of its wards.
