CARRER COUNSELLING SESSION

No. of students participated: 90

EDC of college had conducted a career counselling session in collaboration to FICCI FLO to the EDC students.

FICCI FLO is the women' s wing of the federation of Indian chamber of commerce and industry (FICCI) established 36 years ago. FLO has a pan-India presence and operates from 17 chapters spanning the length and breadth of India. It represents close to 8000 women entrepreneurs and professionals at various stages of growth hailing from the fields of corporate, entrepreneurs and business.

FLO promotes entrepreneurship and professional excellence training and capacity building programmes etc.

At FICCI ladies organisation (FLO) we are a group of like minded women working earnestly towards women' s empowerment- financial, social and emotional at all levels, from grassroots to entrepreneurs to professionals. FICCI endeavour is to be the thought leader for working women of India, their voice for policy change and a guardian of their interests.

The main objective of the session is to encourage and facilitate women to showcase their talents, skills, experience and energies.

The team of FICCI FLO invited psychologist and sociologist to motivate girls during the session.

The main mission of the session was to help students to fulfil their aspiration by setting up realistic goals. It will also help to make career choice which will determine the students future by providing the with their dream job and providing them a better lot with job satisfaction.

At the end of the session, our beloved principal mam cherish the moment with entire team of FICCI-FLO.

ENTREPRENEURSHIP MOTIVATION AND TRAINING PROGRAMME

o. of students participated: 43

EDC of the college had conducted entrepreneurial motivation and training programme to EDC students by inviting a guest Sri Sandhya Sripada, who has worked closely in the fields of talent acquisition, media and publishing. Sri Sandhya Sripada, a highly effective individual is known for her ability to establish and execute effective people and management practices for organizational success.

As a motivation training facilitator she has interacted with participants from diverse backgrounds, particularly students and entrepreneurs, helping them channelize their talents and potentials. The guest speaker was introduced to the EDC students by the EDC conveynor and the member.

Sandhya Sripada spoke about important role of motivation and its role in aspiring students to become an entrepreneur. She said what drives an individual towards achieving something different. She explained to the students that achievement and excelling over competitive situations proves as a motivating factors to take up entrepreneurship she clearly stated that the role of motivation in

entrepreneurship is significant; as it help to shape startup business from the very early stages and can have an impact on sustaining growth and capabilities into the future.

At the end of the session, the EDC students followed that entrepreneurial motivation is the process that activates and motivates the entrepreneur to excel higher level of efforts for the achievement of entrepreneurial goals. The session was very informative which all the EDC students got benefitted.

The vote of thanks was conveyed to Sandhya Sripada for her powered filled session by EDC conveynor, and the members.
