I am impressed with teachers and institutions

Teaching and caring
Motivation

I am Literally feeling why I join in this Government Degree college. Worst Experience. No one is responsible in the College. They never respond to students properly and many times they will go home to afternoon session not yet good College

Overall Good

Nice

They even don't know are in college and what is going in college.

They will not take attendance even.
The office rooms sirs never understand our struggles.

And the person who take an admission from us he is the worrest person i never in my from schooling too collage.

I wish that you should come and observe the collage suddenly without telling them 🤔.

Good college

Focus on student center learning.Give more chances to students to explore the subject.

give them study material (textbooks)..

help them learn better

improve our college management system

speak good with students ..

If any student ask something then teachers must tell them about he /she ask untill they understand ..

Make connect teaching with out side of life and use of multimedia and other students centric

Our All teachers are very humble and best promoters

My opinion in these institution as well I'm learning here,but need need more improvement on Us

Now a days knowledge plays a major role in our life,we expect more gain form faculties Learning more knowledge is more confident to us in every situation,that's what we are expect
