Besides enhancing the formal education to the students as a design by the Palamuru University, Several Extension Activities are carried out for the holistic development of them by way of creating awareness and allowing them to have a first hand experience in the participation of socio useful and socio sensitizing issues as a part of extra curricular activities in order to develop self confidence to handle any kind of issues successfully in their future lives and prove that they are remarkable both in Education and in the development of the community .

The NSS volunteers of this college have successfully participated with thorough socio consciousness in the very innovative and useful community Oriented programmes such as:

Activities carried out in the year 2022-2023:

1. Conducted International Women Day programme on 8th March.
2. Awareness Programme on Superstitious.
3. Natinal Unity day.
4. Voter Enrollment Programme
5. Jatheeya Samaikyatha Vajrostavalu
6. Adoption of Indian Constitution
7. Telangana Dashabdi Ustavalu
8. Red Cross Society Programme
9. NSS volunteers have taken part in International AIDS day Programme on 1st Secember
10. NSS volunteers have actively involved in the National Voter's day programme on 25th January.

Impact of those programmers on the students:

The NSS volunteers and the students are exposed to various National programmes.

They are enlightened on the various issues of AIDS, Voter Enrolment and health consciousness. They have realized their responsibilities of serving and educating the rural sector of the society there after.

The conduction of above programmes developed a lot of brainstorming and sensitive thinking about certain blind beliefs , they become sensitized to these issues and expressed that they would remove all such superstitions.

The women student volunteers have realized their socio-responsibility of creating better platform for healthy society and equality of the gender.
