Jayanthi of Babu Jagjivan Ram celebrated on 5th April 2023 by **NSS Six Units** of Tara Government College (Autonomous), Sangareddy under chairmanship of Principal Dr. K.S.S Ratna Prasad with the help of **Department of Economics** at Adopted Villages and College Campus, Sangareddy District.

Objective of the Programme:

1. Babu Jagjivan Ram Jayanti is a day to celebrate the life and legacy of a fascinating figure in Indian history, Babu Jagjivan Ram. Born on April 5, 1908, in Chandwa, Bihar, he was a man who fought for social justice and equality like a boss.

The volunteers of NSS of Tara Government College (A), Sangareddy took part in celebrations and NSS programme Officers of Tara Govt. college Dr. G. Jagadishwar, Dr. N.Siddulu, Dr. O. Padmaja, Dr. A. Venkatesham, Dr. K. Abhijith and Smt. Shivadeepthi gave a message to the volunteers and youth in villages about the importance of friendly relations and peace and love with others in society.

Jagjivan Ram (5 April 1908 – 6 July 1986), known popularly as Babuji, was an Indian independence activist and politician from Bihar. He was instrumental in the foundation of the All-India Depressed Classes League, an organisation dedicated to attaining equality for untouchables, in 1935 and was elected to Bihar Legislative Assembly in 1937, after which he organised the rural labour movement.

In 1946, he became the youngest minister in Jawaharlal Nehru's interim government, the first cabinet of India as a Labour Minister and also a member of the Constituent Assembly of India, where he ensured that social justice was enshrined in the Constitution. He went on to serve as a minister with various

portfolios for the next 30 years as a member of the Indian National Congress (INC). Most importantly, he was the Defence Minister of India during the Indo-Pak war of 1971, which resulted in the creation of Bangladesh. His contribution to the Green Revolution in India and modernising Indian agriculture, during his two tenures as Union Agriculture Minister are still remembered, especially during the 1974 drought when he was asked to hold the additional portfolio to tide over the food crisis.

Though he supported Prime Minister Indira Gandhi during the Emergency (1975–77), he left Congress in 1977 and joined the Janata Party alliance, along with his Congress for Democracy. He later served as the Deputy Prime Minister of India (1977–79); then in 1981, he formed Congress (J). At his death, he was the last surviving minister of the Interim Government and the last surviving original member of the first cabinet of independent India. Including his service during the Interim Government, his total tenure of over 30 years in various ministries remains the longest of any Indian federal minister.

Volunteers Santhosh sharing his views.

Mahatma Jothi Baphule Jayanthi was celebrated on 11th April 2023 by **NSS Six Units** of Tara Government College (Autonomous), Sangareddy under the chairmanship of Principal Dr. K.S.S Ratna Prasad in collaboration with Department of Economics (**HOPE**).

Objective of the Programme:

1. To inculcate ideas of Phule among youth

The volunteers of NSS of Tara Government College (A), Sangareddy took part in the celebrations and NSS programme Officers of Tara Govt. College Dr. G. Jagadishwar, Dr. N.Siddulu, Dr. O. Padmaja, Dr. A. Venkatesham, Dr. K. Abhijith and Smt. Shivadeepthi gave a message to the volunteers about the importance of women education in society.

Jyotirao Govindrao Phule, a social activist, thinker, writer, and anti-caste social reformer from Maharashtra, is honoured each year on April 11 with the Jyotiba Phule Jayanti. In India, Phule fights to **eliminate untouchability and the caste system**. He and his wife, Savitribai Phule, championed the cause of women's education in India, becoming pioneers in allowing women to attend school.

Mahatma Jyotiba Phule was a social reformer, anti-caste activist, thinker and writer. He dedicated his life towards education and upliftment of the oppressed, eradication of untouchability and the caste system. In the 1880s, he used the Marathi word 'Dalit' to refer to untouchables and outcasts oppressed by society. He was the first person with his wife Savitribai Phule to open a school for girls in Pune in 1848, which was a revolutionary step towards women's education in India. He also launched a big campaign to overcome a water crisis at the time.

Jyotiba Phule founded the 'Society of Truth Seekers' or 'Satyashodhak Samaj' with his followers. The society's mission was to achieve equal rights for persons from exploited castes. Jyotiba Phule also raised his voice against issues like female infanticide.

Principal Dr. K.S.S Ratna Prasad said that Mahatma Phule is widely respected as the champion of social justice and a source of hope for countless people. Mahatma Phule was a multifaceted personality who worked tirelessly for social equality, women empowerment and boosting education. Principal said India will forever be grateful to him for his monumental contribution.

Vice Principal Dr. Venkatesham recalled the immense contribution of Mahatma Phule and said India will forever be grateful to Mahatma Phule and Dr Babasaheb Ambedkar for their monumental contribution.

**REPORT
ON
CYBER CRIME AWARENESS PROGRAMME**

Cybersecurity Awareness Program is a national public awareness effort aimed at increasing the understanding of cyber threats and empowering students to be safer and more secure online. Cybersecurity is a shared responsibility and we each have a part to play. When we all take simple steps to be safer online – at home, in the workplace, and in our communities – it makes using the Internet a more secure experience for everyone.

NSS Units of Tara Government College(A), Sangareddy organized an Awareness program on **Cyber Crime, Eve Teasing & POSCO Act** with the help of **SHE TEAM & Sangareddy Town Police Station** with the prior permission of the principal on **25-04-2023**. The main aim of this program is to give awareness on cybercrimes and the further consequences.

The chief guest **Sreedhar Reddy**, Circle Inspector & SHO of Sangareddy town police station said “Creating an awareness on cybercrimes among students is of crucial importance. We need to substantially improve our knowledge regarding internet safety and issues of illegal internet usage to prevent cybercrimes. Most crimes in recent days have been committed using computers as a tool.” He further added that while some criminal cases have come to light, many have not.

T. Naresh Sub Inspector of Police said that these crimes occur not only in our states but also at national and international levels. He expressed his regret that young people are behind such criminal activities. He also said if anyone suffered from this type of crime to complain 1098 helpline within 24 hours. He motivated the students to protect themselves from cybercrime. To stop the spread of Cyber

Crime and to safeguard the interest of people the government has made several laws related to Cyber Crimes. Also, these laws serve as protection against Cyber Crime. Apart from that, the government has also introduced cyber cells in police stations to counter the problem of Cyber Crime as fast as they can.

Students were also made aware of different types of cybercrimes such as email bombing, hacking, salami, phishing, identity fraud, ATM skimming, web banking, cyberstalking, online lottery fraud, etc.

Principal, Dr. K.S.S. Ratna Prasad in his presidential address said that in several cases, phone calls & messages of students are recorded, and they are blackmailed based on these records and video footage. He advised students to refrain from sending photographs to strangers on social networks and sharing personal ideas with them, as it could get them into trouble.

SHE TEAM SI G. Mogulaiah addressed the gathering about the importance of the POSCO Act and not to trouble any girl/woman. It is illegal and criminal activity.

NSS Programme officers Dr. G.Jagadishwar, Dr. A. Venkatesham, Dr. O. Padmaja, Dr. N. Siddulu, Dr. Abhijith, and Shivadeepthi, senior lecturers Dr. Vijaya, Sharif Miya, etc and students, NSS volunteers have participated in this program.
