NATIONAL FARMER'S DAY OR KISAN DIWAS

The **Department of Economics Club (HOPE)** and **Entrepreneurship Development Cell (EDC)** in association with **NSS Units** organized National Farmer's Day on **23rd December 2022** in the college. The programme presided over by the Principal Smt. M. PRAVEENA and she made awareness among students and volunteers about contribution of the farmers in the country by producing food and respect and reward them for their work around the clock. Dr. A. Venkatesham, Head of the department and Vice-Principal briefed about the importance of the Farmers Day. NSS Programme Officer Dr. G. Jagadishwar, also made awareness on farming activities, experience of the students who hailed from farmers family and in turn making aware their friends and young people in their locality. Dr. Ravikumar Asst. Professor of Public Administration, other faculty and students participated in the programme.

Aims and Objectives:

1. To promote awareness of the contribution farmers, make to society and to respect and reward them for it.

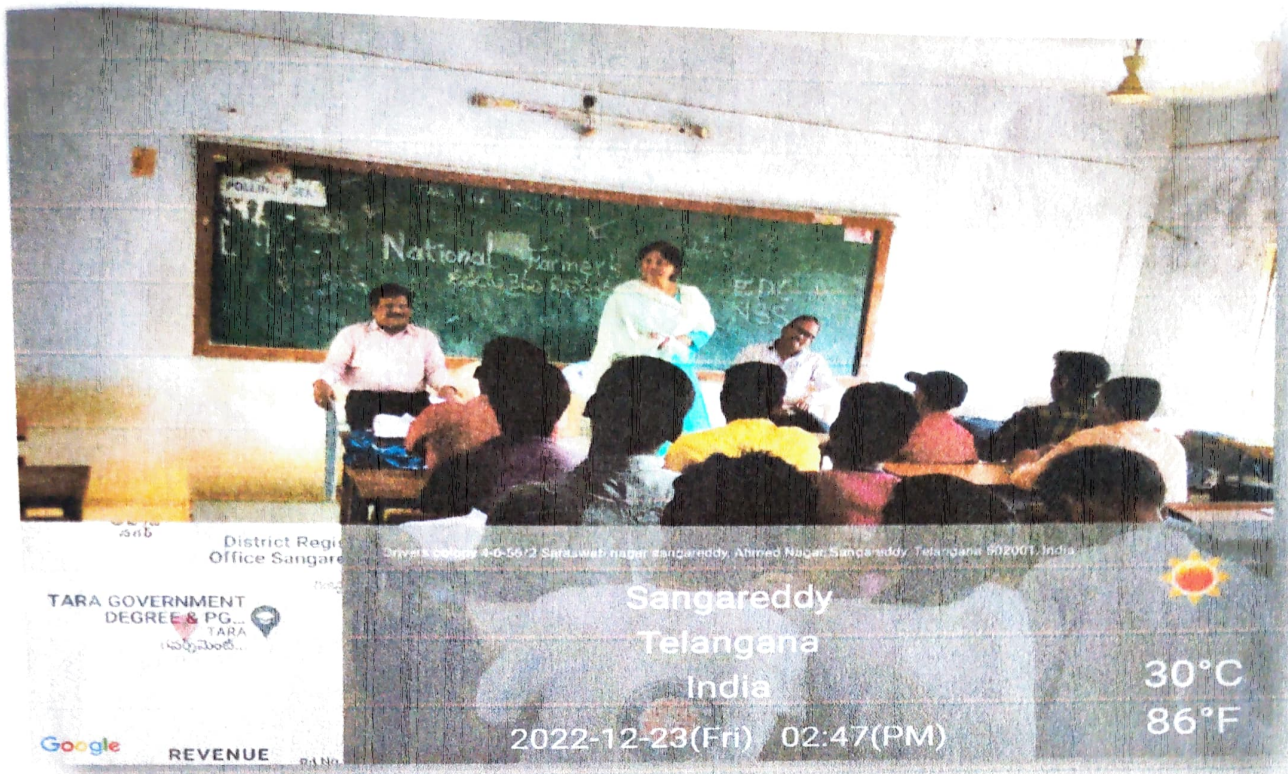

National Farmer's Day or Kisan Diwas is celebrated across the country on December 23 to honor and recognise farmers as the backbone of this country. To honor the birth anniversary of Choudhary Charan Singh, the fifth Prime Minister of India, this day was chosen. In states like Uttar Pradesh, Punjab, Haryana, and Madhya Pradesh, where farmers are actively engaged in agriculture, National Farmer's Day is celebrated every year.

In order to ensure people don't starve to death and don't die of hunger, farmers work around the clock and year-round, but they struggle to eat at least 2 square meals per day. The reason Farmer's Day is celebrated every year is to promote awareness of the contribution farmers make to society and to reward them for it.

“If agriculture goes wrong, nothing else will have a chance to go right in the country.” – M. S. Swaminathan

NATIONAL FARMER'S DAY HISTORY:

The Kisan Leader, Chaudhary Charen Singh, served as president from July 28, 1979, until January 14, 1980. His books on farmers and their problems presented various solutions to improve the lives of farmers throughout the country. He also introduced several welfare schemes for farmers. In 2001, the government declared Kisan Diwas in honour of Charen Singh's birth anniversary.

As the second Prime Minister of India, Lal Bahadur Shastri, gave the farmers the famous slogan, "JAI JAWAN JAI KISAN", Chaudhary Charen Singh followed it.
