Name of the Activity :- Ruthu Prema menstrual health and hygiene empowers women and girls

Organised By :- Health and hygiene, Department of zoology and NSS
Date :- 20-02-2023

Dr. Tummala Shanthi solid waste management around table Bangalore madam visited women's Degree College Siddipet on the topic of menstruation rithu Prema she came as a guest to our college and

Madhavi madam sanitary inspector Siddipet municipality she came as a guest to our college Principal has invited as the chief guest the principal Dr.G. jeevan Kumar sir

Dr. Tummala Shanthi madam Garu set something for understanding on the menstrual cup a mental Cup is a type of reusable feminine hygiene product. It's small fixable final shape Cup made up of rubber are silicon that you insert into your vagina to catch and collect period fluid cups can hold more blood than another method leading many women to use them as and eco friendly alternative to tampons.

Sanitary pad or seriously harmful to our health they carry BPA and another chemicals which can cause cancer overtime and can interfere with the reproductive system as well. The present staff pesticides and herbicides in pads can directly enter your bloodstream to effect your internal organs

Dr Shanti madam Garu Madhavi madam Garu explained the above uses of using cloth on menstrual cup and also explain that it is a trick to avoid cancer
