Dt: - 28-02-23

On the occasion of celebrating National science day we all science groups gathered in Room No: - 18 conducted a quiz programme to students.

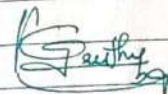

To conduct that quiz programme all science staff prepared a questionnaire from Botany, zoology, physics, mathematics, computer science subjects one day before programme.

The whole strength was divided into 5 groups A, B, C, D, E. such that each group contains all subject students. Questionnaire we prepared contains 50 questions we have written the question nos. on the board so that its their choice to select question no. by that we will ask the questions.

In this quiz competition the winner team is Group-A & the runner group team is Group-C.

Finally by remembering the innovations of Sir C.V Raman and his dedication to science and his birth anniversary is celebrated as "National science day" we concluded the programme.
