

2.6.2. Attainment of Programme outcome and course outcomes are evaluated by the institutions.

Every year college evaluates the attainment of program outcomes, program specific outcomes and course outcomes by adopting suitable methods. The process of measuring the attainment of the Pos, PSOs and Cos is different from each other. The assessment methods that are generally used to measure the attainment of Pos, PSOs and Cos are of two types. They are direct method and indirect method.

1. Direct Method: Under this method the attainment of COs is measured by observing the performance of the students in Continuous Internal Evaluations (CIE) and semester end examinations. Continuous assessment provides feedback on the efficacy of the teaching-learning process and learning outcomes of each course. This is in the form of assignments which are a part of the CIE as well as additional quizzes, tests and assignments which are periodically given to students. In this method the performance is shown as a grade based on the total marks obtained by the student both in IE (20 marks) and semester exams (80 marks). The height results of the every group for the last five years have been exemplary of Course Outcomes achieved by the students. A good number of students achieved outstanding grades in the individual subjects during the last five years. Under this method, Program Outcomes can be measured by examining the results achieved by the students across the programs in semester examinations.

2. Indirect Method: Under this method the attainment is measured by collecting the data from the students by conducting student survey and alumni survey etc. The attainment of POs and PSOs can be measured by observing the performance of the students in various competitive exams attended and co-curricular activities such as elocution, seminars, quiz and preparation of assignments, student study projects and performance in the programs organizes by TSKC, TASK and Career Guidance Cell. A good number of students have achieved meritorious ranks in PG Entrance Exams and got seats in reputed Universities like Osmania University, JNTU, Telangana University, Kakatiya and satavahana Universities in Telangana state. To track program outcomes, the departments maintain an alumna database, regularly updating information on their current employment and other endeavors.
