Record of National Seminar organized by Dept of English

Department	English
Date	10 th and 11 th April, 2023
Title	Acquisition of Proficiency in English: Sourcing Texts, Contexts and Platforms
Resource Person	Prof. C. Murali Krishna, Dr. Mrudula Lakkaraju, m. nagaRaju
Summary	<p>The two day National Seminar on “Acquisition of Proficiency in English: Sourcing Texts, Contexts and Platforms” was successfully organized by Department of English, Government City College (A), Hyderabad on 10th and 11th April, 2023 with partial financial assistance of TSCHE.</p> <p>The department of English takes the privilege and honour of successful conduct of Two Day National Seminar on “Acquisition of Proficiency in English: Sourcing Texts, Contexts and Platforms.” English as a language is pervading to all the spheres and fields of science and technology, literature, social sciences to carry out multifarious activities. It is flexible enough to assume and accept continuous changes in diverse areas and to keep pace with changing times. The remarkable truth of this language is its ranging popularity, and outreaching capacity and occupancy in intercontinental regions. Its competent efficacy to transcendence all other languages to establish massive, effective and feasible communicative media are worth acclamation.</p> <p>India with its staunch belief is advancing forth with rapid pace to establish its supremacy in variety of literary genres in English. Along the same line, the priority of this language is not under calculated in the fields of industries, technology and academic institutions. Proficiency in all the four language skills are recognized as the important element to rise the growth in employability, creative works, technical competence, innovative works and to develop effective and flexible communication skills.</p> <p>In modern era, apart from educational institutions, technology assisted education has taken up its speed. There are variety of platforms that support to spread and strengthen soft communication skills in English such as information technology, social networks, Instagram, WhatsApp, video podcast and so forth. This seminar discusses the contribution of English textbooks, contexts, and platforms to help the language learners to meet their expectations in acquiring proficiency English language skills.</p> <p>The seminar was started on 10th April, 2023 with registrations from 9:00 AM to 10:00 AM. The INAUGURAL SESSION was held at 10:00 AM in which Prof. C. Murali Krishna, Chief Guest, Dean, Faculty of Arts,</p>

With the successful completion of EIGHT TECHNICAL SESSIONS, a grand valedictory function was held after POST TEA SESSION at 3:45 PM on 11 April, 2023. The valedictory session started with the felicitation of guests on the dais. The Chief Guest Prof. Thatikonda Venkata Rajaiah, Osmania University, Hyderabad highlighted the importance of organising such seminars which will help in the dissemination of information about key of English Language Teaching and learning in the classrooms. The principal of the college, Dr. P. Bala Bhaskar congratulated the department of English for selecting an appropriate title for Two-day discussions and deliberations in the form of National Seminar at an appropriate time when English is used widely in Indian classes. He conveyed best wishes to all the paper presenters and participants who received certificates for paper presentation and participation as well.

The Two-Day National Seminar on “**Acquisition of Proficiency in English: Sourcing Texts, Contexts and Platforms**” was highly successful in fulfilling the objective with which it was organised. The seminar stands unique in terms of two special features:

(a) All Technical Sessions were held in a unique blending of Academicians, experienced faculty as Chairpersons, Key Speaker and Paper Presenters.

(b) A souvenir was released with abstract of the papers on “Acquisition of Proficiency in English: Sourcing Texts, Contexts and Platforms”

The seminar was concluded with the convenors vote of thanks to the resource persons, the Principal of the College, Teaching and Non-teaching Staff, Students, Participants and the media for providing their complete cooperation to the Department of English, Government City COLLEGE (A) towards the successful conduct of the National Seminar.

GOVERNMENT CITY COLLEGE (A) Hyderabad, Telangana

Two day National Seminar

on

**“Acquisition of Proficiency in English:
Sourcing Texts, Contexts and Platforms”**

10-11 April, 2023

**Organized by
DEPARTMENT OF ENGLISH**

Sponsored by

Telangana State Council of Higher Education

1 About the College:

Govt. City College is a 100 year old autonomous institution affiliated to Osmania University. The College has nurtured thousands of students over the last 100 years and has produced political leaders, public administrators, academicians, scientists, sportsmen, Guinness book awardees, Arjuna awardees and artists to this country. Thousands of its alumni settled in various positions at national and international level. The college has highly qualified and rich experienced faculty who are committed to the cause of educating students with innovative teaching methodologies, taking up research projects, organizing seminars and conferences for the benefit of the student community. Sri. Marri Chenna Reddy, Sri. Veerendra Patil, Sri. Shivraj Patil, Sri. Veerendra Patil, Sri. Shiva Shankar, Sri SB Chavan, Sri YB Chavan, Kaloji Narayana Rao, JK. Bharavi, Prof. G. Hara Gopal, Prof. K. Nageswar, Prof. SV Satyanarayana, Paruchuri Gopala Krishna are some of the notable alumni. Stalwarts like Sri. Rabindranath Tagore, Sri. Sarvepalli Radha Krsihna, Md. Ali Jinnah visited the college.

2 About the Department:

The department of English is as ole as the institution and goes back to the year 1929. City College being a constituent of Osmania University, several eminent English teachers worked in the department during the first few years. Stalwarts in the field of English and American literature like Prof Isaac Sequeria, Prof Anand Rao Thora and several others worked as lecturers in department.

3 About the Seminar:

English as a language is pervading to all the spheres and fields of science and technology, literature, social sciences to carry out multifarious activities. It is flexible enough to assume and accept continuous changes in diverse areas and to keep pace with changing times. The remarkable truth of this language is its ranging popularity, and outreaching capacity and occupancy in intercontinental regions. Its competent efficacy to transcendence all other languages to establish massive, effective and feasible communicative media are worth acclamation.

India with its staunch belief is advancing forth with rapid pace to establish its supremacy in variety of literary genres in English. Along the same line, the priority of this language is not undercalculated in the fields of industries, technology and academic institutions. Proficiency in all the four language skills are recognized as the important element to rise the growth in employability, creative works, technical competence, innovative works and to develop effective and flexible communication skills.

In modern era, apart from educational institutions, technology assisted education has taken up its speed. There are variety of platforms that support to spread and strengthen soft communication skills in English such as information technology, social networks, Instagram, WhatsApp, video podcast and so forth. This seminar discusses the contribution of English textbooks, contexts, and platforms to help the language learners to meet their expectations in acquiring proficiency English language skills.

4 Objectives of the Seminar:

1. To evaluate the effects of WhatsApp, Instagram, Facebook use in development of English language skills of learners
2. To focus on language learning through different platforms
3. To emphasize the necessity of the textbooks in language learning
4. To discuss importance of context in acquiring proficiency in English language
5. To estimate expertise in English language learning through online sources
6. To recommend changes that will motivate students to learn language
7. To develop learners' analytical and perceptible reading skills.
8. To enable participants to make analytical study of literature to bring to light the innovative ways of creative writings.
9. To review literary texts from aesthetical and critical perspectives: theoretical, historical, artistic etc
10. To encourage participants to critically interpret literary contents, socio-political and historical aspects of different writers.

The two day national seminar planned to be held on 10th and 11th April 2023 is scheduled with total Eight sessions (8) inclusive of Inaugural session and Valedictory session.
