## **TUESDAY- ENGLISH SPEAKING DAY**

### **Objectives:**

- To promote the student's to speak in the English language.
- To encourage them in their future academic pursuits.
- To build the confidence in the English Speaking.
- To face the interviews in the English Language.
- To meet the future requirement.

### **Motto:**

- **Every student should know how to speak in English.**

### **The Context:**

Devarakonda is educationally backward and their education after schooling and a very few of them go on to study the Intermediate (+2) at the most. And the students of this region are so afraid of speaking English. So the Dept of English has decided to make the students to speak in English and to encourage the students in speaking the English language to meet the day to day requirements of the Present world and to face the future interviews too. So the Dept. of English has planned to keep a day to speak in English. And so we approached the principal with this idea, then the principal has permitted to implement the idea. So with this The Dept of English has decided to keep a day in the week. So the Dept. of English decided to keep Tuesday as an English speaking day.

### **The Practice:**

Initially the Dept of English has started in encouraging all the students in speaking the English in the class room. Later on, the Dept. of English has implemented **Tuesday as an English Speaking Day** with prior permission of the principal.

And the Dept of English has decided to constitute the committee to monitor the speaking skills of the students on the decided day i.e., Tuesday.

From the day onwards, the Dept. of English has been monitoring the whole day that the students are really speaking English or not. If they are not speaking the language English, the faculty of the Dept. and the committee has been advising the students to speak in English language.

And we, the Dept of English, requested the entire faculty to speak in English with Students when they speak with students.

### **Details of the committee:**

Chairperson:           Principal

Convener:               M.Prabhakar

Member:

Sri. S.Srinivas

**Evidences:**

### Problems Encountered:

- When the students speak in English, they feel a little uncomfortable before the student's community.
- They face lot of problems in speaking the English language, which is not their mother tongue.
- While speaking English language, they feel shy to speak properly.

### Feedback:

- They enjoyed in speaking the English language
- They understand the beauty of language while speaking.
- They even chit chat in English, so that they could gain the knowledge of the English.
