And

Shaik.Arifa, Lecturer in Mathematics

The students shown and met the faculty of Maths Department of GDC, Khairathabad. They spoke with our students about future career after degree. They told different ways you can opt for higher courses or apply for a BSc in Mathematics job. So, you can get a job after BSc Maths in banking, teaching, accounting, and many other sectors. Many BSc mathematics jobs require a special set of abilities and expertise in today's data-driven world. The best career options after BSc maths are economist, mathematician, statistician, and accountant.

After that we seen our new Secretariat of Telangana and Dr. BR. Ambedkar statue, Hyderabad and we cover NTR Garden also.

Outcome of the Program:

Students learnt how to settle with Maths background and observe the ways .
