ICT/COMPUTING SKILLS ACADEMIC YEAR 2022-23

Trainer: Smt. T Sravani
TSKC Mentor

Date : 26-11-2022

The Department of Physics conducted for B.Sc first, second and final year students of both M.P.C &M.P.Cs groups on 26-11-2022 to provide awareness on opportunities of science students for their carrier growth.

Smt. A Sumalatha, Lecturer in Physics, KRR GASC-KODAD, conducted training session to enhance the employability skills of the students and basics of **“HOW TO PREPARE ICT TOOLS”**. ICT Enabled Teaching Methodologies, YouTube lessons, Power Point Presentations

The resource person has explained various ways for science students after their graduation study. She gave a brief introduction of Software Company and enhances the employability skills of the students. How to teach physics classes using ICT tools with the help of PPTs, pictures and animations. Importance of these ICT tools to learn many things related to physics with the help of animations. How to prepare the PPTs with pictures and how to write some of formula. ICT related tools were practiced in the computer lab with the help of computer science madam. At the end of programme, students have interacted with the resource person and clarified their doubts.

Outcomes:

1. Create a basic training plan for the user.
2. Learnt about the structure & functioning of computers.
3. Learnt about various usages of computers in different fields.
4. Learnt about its importance in our daily life.
