Syllabus of the Certificate course

Title:INDUSTRIAL CHEMISTRY

INTRODUCTION

The certificate courses are shaped and oriented to make the current Indian Higher education system more relevant and career oriented with focus on quality and excellence. The programmes are designed to ensure that graduates who pass out after completing the courses would have knowledge, skills and aptitude for gainful employment in the wage sector in general and self-employment in particular. Students expertise in the concerned skill will have more opening in service, industry and entrepreneurship development. To enrich and empower the students ashuthosh college is going to introduce need-based value added certificate courses has been introduced as a parallel sub-discipline while pursuing their degree level education.

Agro Based chemicals: Chemistry of pesticides and fertilizers

Traditional Industrial Chemistry & Green Chemistry
