ACADEMIC YEAR: 2022-23

Group: B.A, Political Science

Class: EPP, 2nd year

Title: 'What was the Benefit of B.R. Ambedkar to India'

Introduction

: Ambedkar's vision of society is that people should live together in order of social stability and individual dignity in a human institution.

Opinion of the Students:

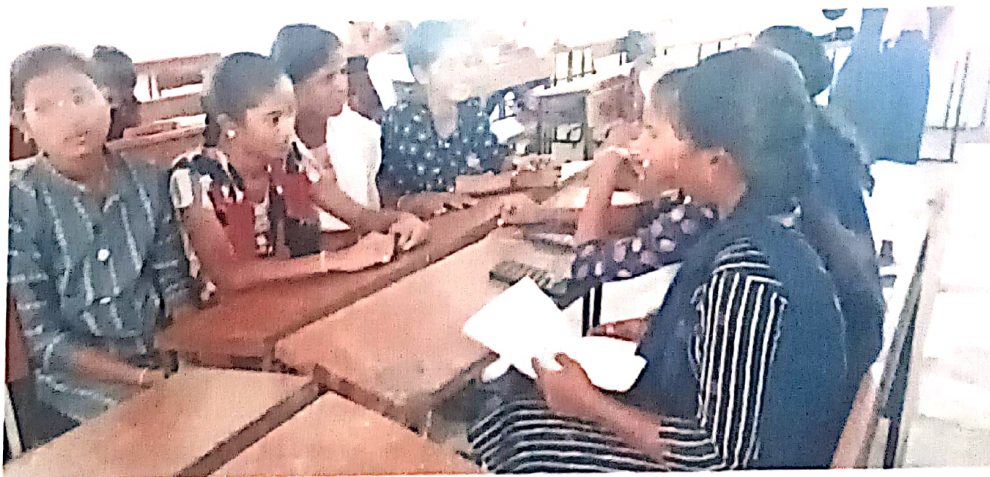

The text prepared by Ambedkar provided constitutional guarantees and protections to individual citizens for a wide range of civil liberties, including freedom of religion

Conclusion

: He prioritised freedom of religion, abolished untouchability, advocated right for women

Title: "How are Elections conducted in India"

Introduction : Members of state legislative Assembly are elected directly by voting. from a set of candidates who stands in their respective constituencies. Every adult citizen of India

Opinion of the Students: Every person whose name is on the voter list can go to a nearby polling booth. A ballot paper is a sheet of paper on which the names of the contesting candidates party

Conclusion : Elections to the legislature, take place, every four years. Every party declares a list of its candidates, but voters vote for the party
