Extension Lecture on "Preventive and Therapeutic Measures for Lifestyle"

Report May 12, 2023

On 12th May 2023, the IQAC and Extension Lecture Committee of SCNM Government Degree College, Narayanapet, organized an enlightening lecture on "Preventive and Therapeutic Measures for Lifestyle." for the students and faculty members. The guest speaker, Dr. Deepak Shetty, a qualified massage therapist, shared valuable insights into the benefits of massage therapy and its significance in promoting overall health and well-being. The lecture aimed to raise awareness about the various advantages of massage and its impact on specific aspects of the human body and the Benefits of Massage.

The Lecture began with a warm welcome by E. Narayana Goud, IQAC Coordinator and Member of Extension Lecture Committee of SCNM Government Degree College which followed by the formal address to the Guest Speaker Dr. Deepak Shetty by the Principal Sri G. Ranga Reddy.

Dr. Deepak Shetty began the lecture with a brief Introduction to massage therapy, followed by detail explanation about pain control, circulation of blood, maintaining blood pressure, joints health, and stimulation of lymphatic system, enhancement of the immunity and the reflexive effects of massage on the respiratory system. He emphasized the significance of adopting preventive measures to maintain a healthy lifestyle. He enlightened the students with strategies for stress management and relaxation to reduce the risk of various health issues.

Dr. Deepak Shetty extension lecture on "Preventive and Therapeutic Measures for Lifestyle" not only covered the benefits of massage therapy but also shared his inspiring story of overcoming bone marrow blood cancer. His journey highlighted the importance of maintaining a positive mindset and seeking complementary therapies like massage to enhance the healing process during cancer treatment.

Dr. Deepak Shetty experience serves as a beacon of hope and motivation for those facing similar challenges, encouraging them to explore natural healing methods and complement their medical treatments with therapies like massage. The lecture left a lasting impact on the audience, inspiring them to adopt a holistic approach to health and well-being, and garnered appreciation for the Extension Lecture Committee for organizing such a meaningful event.

The lecture concluded with an interactive question and answer session. Attendees had the opportunity to seek further clarification from Dr. Deepak Shetty about massage therapy and its applications. At the end, Ms. Varha, student of BSc VI semester delivered the vote of thanks at the conclusion of the Lecture.

Report on the Faculty Development Programme on "Empower, Engage, and Explore: Innovative Strategies And Best Practices for Teaching and Learning"

Introduction

The Internal Quality Assurance Cell (IQAC) organized a comprehensive Faculty Development Programme (FDP) titled "Empower, Engage, and Explore: Innovative Strategies and Best Practices for Teaching and Learning" on the 20th of March 2023. The primary aim of this initiative was to empower educators by introducing innovative teaching methodologies, fostering engagement in the learning process, and exploring the effective use of technology in the classroom. 37 faculties participated in the programme.

Objectives

The FDP focused on three key objectives:

- Empowering teachers through the exploration of new teaching strategies and the encouragement of resilience in learning experiences.
- Engaging educators in the learning process by employing student-centric approaches and classroom engagement techniques.
- Exploring innovative strategies for teaching and learning, emphasizing the meaningful use of technology in education.

Sessions Overview

Session 1: Empowering Academic Excellence and Professional Ethics

Time: 01.30 p.m. – 02.30 p.m.

Resource Person: Dr.Sandya Thivari, Head, Department of English, Palamuru University

Dr.Sandya Thivari's session aimed to foster academic excellence, cultivate a research culture, and promote student-centric learning. She addressed various facets such as the use of digital content, professional ethics, classroom management, gender sensitivity, and the importance of assuming assisting roles in administrative capacities. She shared from her personal experiences certain best practices that junior teachers should develop to be successful in their career. Additionally, the session emphasized student accompaniment by appreciating strengths, addressing issues, and guiding behavioral patterns.

Session 2: Exploring Smart Board Technologies for Engaging Teaching and Learning

Time: 02.30 p.m. – 04.30 p.m.

Resource Person: Mr. BalRam, Trainer, Masters Technologies, Narayanapet.

Mr. Balraj conducted an informative session focusing on board technologies for effective teaching and learning. He demonstrated the features and functions of the tools available in smart boards and how effectively they can be used for creating lively and engaging teaching learning experience. Coordinated by Rama Krishna Reddy and G. Anil, this segment introduced participants to smart board technologies and their potential for engaging instructional strategies with hands on training. All the participants experimented with the Smart boards that were available in 4 class rooms of science block and acquired practical skills and knowledge essential for effectively utilizing smart board technologies in classroom teaching.

Conclusion

The faculty Development programme successfully addressed crucial aspects of empowering junior teachers, encouraging engagement, and exploring innovating teaching methodologies. Participants gained insights in to leveraging technology for enhanced learning experiences and were equipped with practical skills to integrate smart board technologies in to their teaching practices. The FDP served as a platform for junior staff to enhance their pedagogical approaches, ultimately contributing to the advancement of teaching and learning practices within the institution
