Recognised by UGC under sections 2 (f) and 12 (b) of UGC act 1956

Palem-509215, Nagarkurnool District. Email id: palem.gdc@gmail.com

6.2.1: The institutional Strategic / Perspective plan is effectively deployed.

CPDC committee and the Student Council under the guidance of the Principal design a strategic plan for development activities in the college. This helps in achievement of objectives such as updating facilities in the classrooms and labs and providing placements opportunities, improvement in academic performance of the students and the staff, enrichment of the faculty through MRP, RC, OC, FDP research activities acquiring higher qualifications enhancing their lecturer-learning ability by improving ICT facilities.

The college strategic plan for future development is:

- CPDC committee meets every year well in advance and the committee decides the programs to be organized through the various mutual interactive programs within the district.
- For the development of infrastructure and lab facilities.
- The students are encouraged to participate in at least one sport for overall development, for which UGC sanctioned RUSA block to the college and Gym facility is also available in the college.
- College students do regularly practice in the Gym.
- The college sends the proposals to establish the center for training like constable, DSC coaching.

Curriculum Development:

Curriculum is designed by Palamuru University for all the UG courses. Choice Based Credit System (CBCS) is evolved and implemented from the academic year 2016-17 with semester wise examination pattern. Since CBCS is completely a new in its nature, the university too exercised a lot of work by the way of conducting meetings, seminars and workshops and by way of providing desired and needed inputs to make the new systems a grand success. Curriculum is framed by the respective university. The syllabus is framed and developed keeping in view of the global changes ,higher education opportunities, competitive examinations for the students for transforming into a better society.

Teaching and Learning:

The teaching learning process is mainly student centric and the focus is on analytical, critical thinking of the students and to make them creative.

Seminars, Group Discussions, Quizzes, Assignments, Group presentations and ICT usage are part of regular teaching learning process in the college.

Students actively participate in field trips, extension activities, and awareness rallies. Well established Library and well equipped Computer Labs and other science labs enrich the learning experience to the students.

Library, ICT and Physical Infrastructure / Instrumentation:

Library is a main source of learning. A Well equipped library is available to the students during and beyond college hours. The students & faculty are encouraged to visit library regularly to develop the habit of reading in them.

All the laboratories are well equipped .

RUSA additional Class Rooms built in 2018.

Human Resource Management:

The institution forms various committees to share the knowledge of the faculty to distribute work among them for smooth effective functioning of the institution. Faculty members attend Orientation courses and Refresher courses, Workshops, Seminars, Conferences in national and regional level. The college has two NSS Units inculcating service motto among the students by conducting various activities in the college and as well as in the surrounding villages too. Grievance Box is arranged in the college to receive the grievances and redress them accordingly. Gender sensitization programmes are conducted in the college to sensitize gender issues.
