15.Multidisciplinary / interdisciplinary	

The Council of Higher Education and Commissioner of Collegiate Education, Telangana State have been implementing NEP through CBCS system allowing the students to choose the subjects through Bucket system which is unique by elevating the internal interests and options of the students in pursuing knowledge. Thus students have chance to study multidisciplinary / interdisciplinary courses which support the students for their all-round development. Thus students can experience a change from conventional mode of study to modern system. The institution motivates the students to take project works on the surrounding society issues, so that they can get awareness over the problems of their nearest society .

16.Academic bank of credits (ABC):

As per NEP students should be given Academic Flexibility.The NEP allows the Academic Bank of Credits by providing Academic flexibility of entry and exit to the students based on the bank of credits in the higher education especially at under graduation level of course of 3 years and 4 years which leads to the change from the conventional courses of UG for 3 years. Academic credits can be stored in the students portal whenever the students completes his course.

17.Skill development:

NEP 2020 considers Skill Development to the most significant component in the present employment scenario. NEP 2020 gives more importance to the skill based education than imparting lethargic and inactive mode of skills. Institution is conducting many skill oriented programs such as Communication Skills, Leadership Skills; Environmental studies and celebrates some important days such as National Science day, Teachers day to inculcate human and ethical values .The NEP 2020 has elevated the skill development for self employment and ready for entrepreneur sector. The Commissioner of Collegiate Education has been equipping sufficient employable skills among the students through TSKC wing and TASK programs.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Providing Indian Educational and Philosophical values are happened to be the epitome of NEP. The NEP aims at providing conceptual Indian knowledge rather than learning for exams. The institution plans to disseminate Indian Knowledge using both off line and online courses and the class delivery in bilingual mode .Institution provides an opportunity to the students to visit

ancient historical places to promote ancient traditional knowledge and Indian Art. It also stresses ethics and human and constitutional values like sympathy, respect for others, cleanliness, courtesy, democratic spirit, spirit of service, respect for public property, scientific temper, liability and justice.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

Out come Based education is highly beneficial to the students and to the community as it involves all the skills and values with social responsibility through societal awareness. The NEP 2020 focuses on the outcome based education. The Institution offers training to the students to strengthen employability skills by organized programs of personality development. Career guidance. Mock interview sessions. Students involve in community service which upgrades social responsibility while refinement in the individual life too.

20.Distance education/online education:

Providing education to the individuals who have immense interest to continue their education either through the mode of distance or online is one of the most important features of the NEP. A comprehensive set of recommendations for promoting distance education or Online education consequent in the recent rise in epidemics and pandemics in order whenever tradition and in-person modes of education are not possible has been covered.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The HEI has evolved with perfect mechanism of internal assessment as per the instructions of affiliating university, which is transparent and robust in terms of frequency and mode.

The Evaluation process as a part of CIE includes internal assessment and semester end external examination assessment. As per the CBCS semester pattern-the assessment would be done at two levels. Internal Examination and Assessment for 20 marks would be carried at the Institution, External examination and Assessment for 80 marks would be carried out by the concerned affiliating university at the end of each semester.

- The HEI conducts two internal examinations for each semester and uploads the average performance of the student in the two internal marks in the affiliating university website, as a part of internal assessment.

- The question paper for the internal exam is designed by the faculty in every subject.
- The HEI constitutes an Examination committee with one senior most faculty member as the Academic coordinator and two or three faculty as members.
- Everything is involved as transparent mechanism of internal assessment proving robust in terms of frequency and mode.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

An Amicable and accessible mechanism is practically and perfectly adopted by the Institution right from the beginning of its imparting knowledge and conducting Internal and External examinations with proper procedure of formulating the committee for addressing the issues related to deal with examination following procedures.

The HEI constitutes an Examination committee and also appoints a senior most lecturer as the Academic Coordinator who would be the convenor for the Examination committee. The Academic coordinator extends his/her guidance to the committee to act accordingly with regard to the grievances arising in certain areas while conducting the internal and external examinations. He/She act properly and address the grievances timely with regard to internal examinations and external examinations in providing information and solving certain issues transparently.

Under the guidance of the Academic Coordinator - the examination committee members would be providing the internal examinations schedules to the students in the "what's app groups". The committee members get devoted in getting marks of internals and uploading them in the concerned link of the affiliating university.

The principal, IQAC, Academic Coordinator and Departmental In charges have been a sacred part in the mechanism of dealing with

all the examination related grievances and getting them resolved.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The HEI has a specific Mechanism of preparing, framing, perfecting and creating projected awareness about the Programme Outcomes, Programme Specific Outcomes and Course Outcomes to the teachers and students in the very beginning of the academic year with respect of UG programmes and diversified courses offered in the institution which ultimately reflects the strategy of the educational Institution in the process of elevating teaching learning activities.

The POs, PSOs are initially prepared in the departmental meetings and later approved at the institutional level meeting with the faculty under the chairmanship of the principal. The same is uploaded in the college website for ready reference. The COs mentioned in the affiliating university prospectus would be implemented and could be strengthened with the add on courses and certificate courses.

In the beginning of the academic year, the students are made aware about the POs, PSOs, and COs in the orientation programme by the detailed explanation. Periodically, the principal, IQAC and Academic coordinator would monitor them.

With the perspective mechanism, the student centric learning methods are adopted to achieve the POs, and COs with the collective coordination and vision-oriented devotion, by following the instructions of the affiliating university and CCE perfectly and fairly.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The effective leadership of the institution is highly reflected in the procedure how the various Committees are performing their duties.

Such Committees include:

- Academic Examination Committee
- Internal complaint Cell

- Women Empowerment Cell
- Grievances and Redressal Cell
- Anti-ragging cell

Institutional Practices & Leadership

The exemplariness of the effective leadership majorly depends on its two incomparable practices of decentralization and participative management for all round development of the institution concurrently and evidently. The first practice of decentralization and participative management is the creation of Academic Coordinator post through which all the academic issues related to the students are attended effectively and which ultimately reflects the leadership of the college. The Academic Coordinator provides needed information to the faculty and students. The second practice is the creation of students What's up group which is unique by itself allowing students friendly teaching learning process. This introduction of students' What's up group shows the effective and perspective management of the leadership of the college. The installation of two practices highlights the effectiveness of the leadership.

The Principal of the HEI is coordinating all the committees to perform their 'assigned duties properly and perfectly which reflects the good leadership thoroughly.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Title of the Best Practice

Plastic Free Zone Campus

Duration(year of inception)

Year of inception 2020-21

Objectives of the Practice

To make the campus free from plastic use so that

Environment becomes free from pollution.

To educate the youth about the deadly effects of plastic use.

The Context

As most of the human beings are habituated for carrying goods in plastic bags it is not easy to divert to the use of cotton bags instead of plastic bags. Plastic bags are a very big threat to the environment. They are mostly made of organic polymers which are nothing but long chains of carbon atoms.

Title of the Best Practice

GREEN CAMPUS INITIATIVES

Duration(year of inception)

Year of inception 2022-23

Objectives of the Practice

To increase the green coverage of the campus by planting fruit , flower and shady plants.

To initiate eco-friendly practices and environmentally sustainable activities.

To build a campus that produces minimum waste, protect biodiversity, conserve energy and save the natural resources.

The Context

College has four acres of land which is filled with many varieties of plants. Still there is empty place for the new plants. Strategies are in progress to increase the green cover of the college .
