One-day Workshop on Soft skills

Department of English conducted a one-day workshop on 23 July 2022. As part of the inaugural session Sri A. Vishweshwara Sharma introduced guests onto the dais and requested Ms. M. Praveena, Principal of the college to address the participants. After her inaugural words, the principal instructed the organising secretary Sri Md. Jaleel to start the workshop with his inaugural words. Sri Md. Jaleel, Assistant Professor of English and HoD, Department of English informed the audience about the objectives of the workshop.

Objectives

- ❖ To sensitise importance of soft skills
- ❖ To make students learn, apply and benefit with soft skills
- ❖ To help students achieve their goals through sensitisation.

Sri Md. Jaleel introducing the objectives of the workshop

The principal formally inaugurated the workshop. Dr. Gopala Sudarshanam started the session by posing a question to the students if they know who they are and what their strengths are.

SWOC ANALYSIS

- ❖ He talked about – How to identify strengths
- ❖ Weaknesses
- ❖ Opportunities and
- ❖ Weaknesses
- ❖ How to find your goal in your life
- ❖ How to identify and pursuit one's goals

WELCOME TO PARIVARTHAN ONE-DAY SOFT SKILLS WORKSHOP

**ORGANIZED BY: DEPARTMENT OF ENGLISH
TARA GOVERNMENT COLLEGE SANGAREDDY (A)
SANGAREDDY- DISTRICT: TELANGANA-502001**

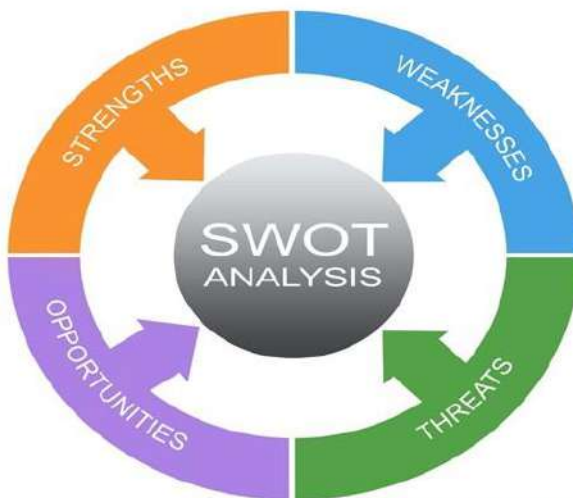

At Conference Hall

On: 23rd , July 2022

TECHNICAL SESSION-I

TOPIC: SWOT/C-ANALYSIS

**TALK BY:
DR. GOPALA SUDARSHANAM
Asst. Prof of Commerce (S.G)
GDC Siddipet (Autonomous)**

7/24/2022

DR. GS@DCBM#GDSCA

PRESENTATION LAYOUT

- What are SOFT SKILLS.
- Introduction to 'SWOT'.
- Defining components of 'SWOT'.
- Purpose of 'SWOT' Analysis.
- Steps in 'ACTION PLAN'
- Conclusion.

7/24/2022

DR. GS@DCBM#GDCSA

What are Soft Skills

- 'Characteristics and behaviour patterns that affect your interpersonal interactions, performance, and impression on others'. - Hence- **Soft Skills are 'People Skills' & 'Essential Skills' too**
- Communication, Confidence, Empathy, Creativity, Punctuality, Flexibility, Problem Solving, Teamwork, Leadership, Conflict Management, Critical thinking, **Body Language**
- Many a times it is an outcome of '**COMMON SENSE**'

7/24/2022

DR. GS@DCBM#GDCSA

What makes you rich in any Interaction

- Use body Language Effectively
 - 53% is Body language
 - 40% is tone, voice inflection
 - 7% is actual words
- ‘Kissing the Ring Attitude’
- Make effective Conclusion.

7/24/2022

DR. GS@DCBM#GDCSA

INTRODUCTION TO ‘SWOT’

INTRODUCTION TO 'SWOT'

- ➔ It is a scientific method of Identifying and Analysing internal components of a person.
- ➔ It is also a strategic Planning and Management Technique.
- ➔ Sometimes it will be a Situational Assessment and Analysis.
- ➔ This technique is developed by the Stanford University (SRI) 1960-1970.- 'SOFT to SWOT'
- ➔ **Albert Humphrey , American Business & Management Consultant was named as brain behind it.**

7/24/2022

DR. GS@DCBM#GDCSA

What are your 'STRENGTHS'

- ✚ Strengths are helpful in achieving your objectives and internal origin in nature.
- ✚ Your Features, Characteristics & Virtues.
- ✚ Positive Attributes, Abilities, Resources and Capabilities.
- ✚ Where you are strong- **Unique**
- ✚ You are different from others.
- ✚ These may be Tangible or Intangible.

7/24/2022

DR. GS@DCBM#GDCSA

What are your 'STRENGTHS'

- ✚ Your unique skills
- ✚ Why do people praise you.
- ✚ What is much praised in you.
- ✚ What achievements are you proud of.
- ✚ The values you believe in.
- ✚ The ethics & morals you follow.

7/24/2022

DR. GS@DCBM#GDCSA

What are your 'WEAKNESSES'

- ➡ Weaknesses are harmful in achieving your objectives and internal origin in nature.
- ➡ These creates obstacles in attaining goals.
- ➡ Where you are backward, de-meritorious and disadvantageous compare to others.
- ➡ Things, that are well done by your competitors.
- ➡ These are costly things. But can be improved.
- ➡ However these are controllable, minimized and even eliminated.

7/24/2022

DR. GS@DCBM#GDCSA

What are your 'WEAKNESSES'

- ➔ What skills/ Knowledge you lacks
- ➔ What skills could you improve
- ➔ What do you avoid doing
- ➔ What do others see as your weakness
- ➔ What resources you are deficient in.
- ➔ What are your negative work habits
- ➔ Any personality traits hold you back

7/24/2022

DR. GS@DCBM#GDCSA

Strengths

- Dedicated
- Creative
- Flexible
- Resourceful
- Problem-solving skills
- Ability to work under pressure
- Time management skills
- Team player
- Fast learner
- Leadership skills
- Typing skills
- Writing skills
- Determination
- Negotiation skills
- Communication skills

Weaknesses

- Disorganized
- Impatient
- Insecure
- Self-criticism
- Multitasking
- Blunt
- Public speaking
- Shy
- Too detail-oriented
- Saying "No"
- Unhealthy work/life balance
- Delegating
- Procrastination
- Hard skills
- Micromanaging

7/24/2022

DR. GS@DCBM#GDCSA

What are your 'OPPORTUNITIES'

- Opportunities are helpful in achieving your objectives and External origin in nature.
- External factors to improve your possibilities.
- These may arise out of Government Policies, Competitors weakness, Technology support etc..
- Strategies design, innovative & Creative thinking. Optimum usage of resources.
- Creating new avenues and Paths.
- Convert 'S' in to 'O'.

7/24/2022

DR. GS@DCBM#GDCSA

What are your 'OPPORTUNITIES'

- What Opportunities are to open to learn
- What situations can you take advantage of
- Do you have any contacts to either advise or help you
- What others failures can you exploit.
- Any unfilled need around you

7/24/2022

DR. GS@DCBM#GDCSA

What are your 'THREATS'

- Threats are harmful in achieving your objectives and External origin in nature.
- Beyond your control, create troubles and risks.
- Government policies and Competitors strategies
- New Competition, change of Syllabus etc..
- Environmental changes, cuts in funding etc..
- Psychological imbalance.
- Lack of vision and hold on oneself

7/24/2022

DR. GS@DCBM#GDCSA

What are your 'THREATS'

- Obstacles currently facing.
- What are competitors doing
- Is demand for you strengths declining
- What trends harm your interests
- Environmental changes, cuts in funding etc..
- What threats arise from your weakness

7/24/2022

DR. GS@DCBM#GDCSA

Purpose of SWOT Analysis

- ➔ To identify and Analyse the obstacles.
- ➔ To help in decision making.
- ➔ To prepare Plans and Strategies.
- ➔ To mobilize and Organize Resources.
- ➔ To build road map for **SUCCESS**.
- ➔ Eventually to document **ACTION PLAN**

7/24/2022

DR. GS@DCBM#GDCSA

Steps in Preparation of 'ACTION PLAN'

7/24/2022

DR. GS@DCBM#GDCSA

Conclusion

- SWOT Analysis play noticeable role in every facet of life endeavour.
- it is inevitable, revamped and prepared carefully.
- Experts and your close mates assistance may help you.
- Accepting reality and situation is CRUX in its preparation. **PROCASINATION** is a big enemy.
- Being honest, positive, proactive and integrated are other postulates of it.
- So we must know how to **Capitalize-S**, How to **Overcome-W**, **How to Exploit-O** and How to **Reduce-T**

DEPARTMENT OF CHEMISTRY Annual Report-2022-2023

WORKSHOPS ORGANIZED

Report on One Day State-Level Workshop on “Research Methodology in Chemistry”

Department of Chemistry, Tara Government College, Sangareddy (A) in Tara Government College, Sangareddy (A) has conducted the One Day State-level Workshop on “Research Methodology in Chemistry” on 02.11.2022. Dr. Eeshwaraiah.B, Assistant Professor & DST-Inspire Faculty, Centre for Applied Chemistry, School of Material Sciences, Central University of Gujarat, Gandhinagar was acted as resource person for the Programme. The Programme mainly focused on Recent developments of Chemistry and its allied sciences with respect Research and Development. Around 125 Students and Faculty members have participated in the Programme.

About the Resource person:

Dr. Eeshwaraiah Begarihas has 15 years of Research and Teaching experience. He has actively engaged in quality research programs in **Colorado State University**, Fort Collins, USA and **Illinois Wesleyan University**, Bloomington, USA with eminent researchers like Prof. J L Wood, Prof. Michio Kurosu and Prof. Ram Mohan. He received **INSPIRE Faculty Fellowship Award-2012** (Session-I) under AORC Scheme of DST (Chemistry) for his outstanding performance in the field. He has published **28 research papers** in reputed International Peer reviewed journals and **17 patents** for extraordinary inventions. He is one of the proud alumni of Department of Chemistry, Tara Government College, Sangareddy(A). Currently he is working as Assistant Professor of Chemistry at Central University of Gujarat, Gandhinagar, Gujarat, India.

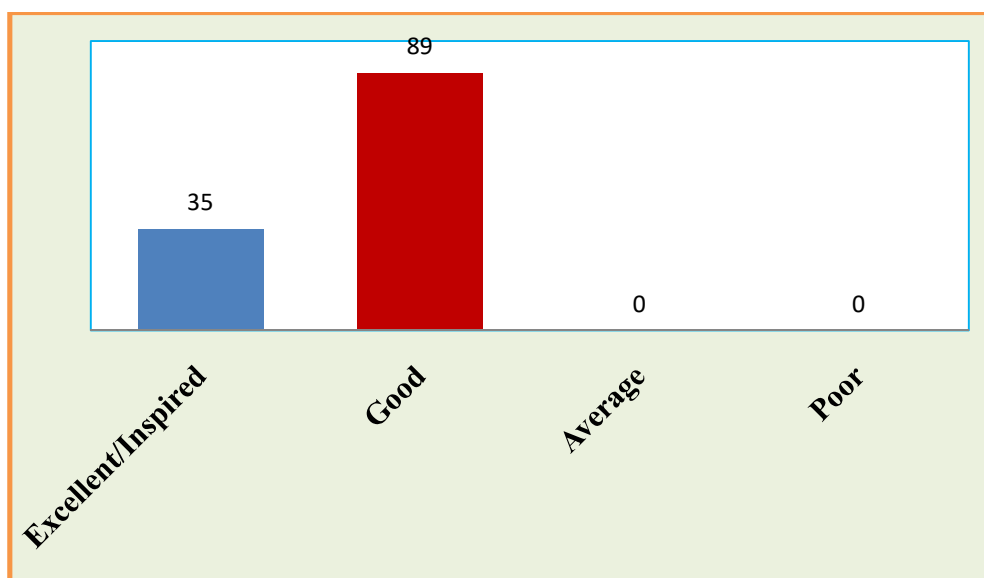

Convener of the Workshop: Dr.K.Abhijit, Head, Department of Chemistry, Tara Government College, Sangareddy (A).

Key points Discussed in the Workshop:

The program focussed on recent trends in research in chemistry and allied sciences. The resource person enlightened the advance synthetic strategies used in drug development using novel synthetic reagents and solvent free synthesis. He has also explained the contemporary significance of Green Chemistry in organic synthesis. The lecture also focused on advances in analytical techniques in drug discovery and design like chiral chromatography, HPLC, C¹³, H¹, F¹⁹ NMR and cyclic voltammetry. The lecture also spotlighted on research ethics. **Dr.Eeshwaraiah** also explained about the career opportunities in Pharmaceutical chemistry and analytical chemistry.

Feed-Back Analysis:**“One-Day State-Level Workshop on Ozone and Environmental Challenges”**

On the occasion of International Day for the Preservation of the Ozone Layer-2022

On the occasion of **International Day for the Preservation of the Ozone Layer-2022**, the Department of Chemistry organized the, “**One-Day State-Level Workshop on Ozone and Environmental Challenges**” to discuss and interact with the expert on environmental issues with special concern on Ozone layer on **15.09.2022**. For this programme **Dr. Venkata Nagendra Kumar Putta**, Assistant Professor of Chemistry, GITAM, Deemed to be University, Hyderabad was acted as resource person. Around **90** Students and Faculty have participated in the Programme.

Convener of the Programme :Dr.K.Abhijit, Head, *Department of Chemistry, Tara Government College, Sangareddy (A)*.

About the Resource person:

Dr. Venkata Nagendra Kumar putta has 26 years of Teaching and Research experience. He has published 17 research papers in reputed International Peer reviewed journals. He has organized two workshops to enlighten the research spirit among the scholars and faculty. He has a life time membership in many professional bodies like BARC, Indian Science Congress Association etc. He has also received Best teacher award by GITAM for the year 2022. He has successfully completed Indian academy of Sciences Summer internship. Dr. Putta has completed two world class research Projects sponsored by BARC and Department of Atomic Energy.

Brief Note on the Programme:

On the occasion of **International Day for the Preservation of the Ozone Layer-2022**, the Department of Chemistry in collaboration with Eco-Club embarked on the innovative initiative of sensitising the students of Tara Government College. So, a few enthusiastic students came forward to learn about the need for a greener tomorrow. The selected students were assembled on 15 September 2022 at 11 a.m. in the seminar hall. Initiating the event Lt.V. Manoj kumar, Asst Prof of Chemistry welcomed all the guests onto the dais.

Principal Smt. M. Praveena, Principal of the college welcomed the chief guest, **Dr. Venkata Nagendra Kumar Putta** and other dignitaries. She spoke about the green tomorrow from the perspective of language. Then, she invited K. Sreedhar, Asst Prof of Chemistry, to explain the achievements and accomplishments of the Chief Guest. The students and other staff who attended the programme applauded at the academic achievements of the Chief Guest. The principal, then invited the Eco-club convener Smt K Sugunavathi to speak a few words. Smt K. Sugunavathi, Asst Prof of Zoology, exhorted on th need for eco initiatives at micro level, with special reference to homes and work places. The principal invited programme convener, Dr. K. Abhijit to spell out objectives of the programme. Dr. K. Abhijit, Asst Prof of Chemistry and Head, Department of Chemistry, welcomed all the dignitaries. He revealed the impact of the present-day attitude of human beings towards nature with special

reference to consumerism. He wondered how much sensitisation is suffice to curb the menace of consumerism.

He explained the concept of minimalism. He, then gradually brought the concept of Ozone layer depletion and its ill – effects. He thanked the Chief Guest for his time and concluded his brief speech. The President of the programme and principal, Smt M. Praveena, then, requested the Chief Guest and the speaker of the programme, Dr. Venkata Nagendra Kumar Putta to take the session.

Dr. Venkata Nagendra Kumar Putta addressed the dignitaries all the dignitaries and started his session. He informed all the audience that he did not attend the session to speak, but to answer the queries posed by the audience. He explained about the Ozone layer in the layman's words. He explained what would happen if there is no Ozone Layer. He suggested the measures to be taken at individual-level, family-level and societal-level to arrest the increase of reduction in the thickness of Ozone layer. He invited student participants to shoot queries so that he could clarify concepts.

The following issues were discussed in the Workshop.

- 1. How is ozone expected to change in the coming decades? And what are the possible alternative solutions for the crisis?**
- 2. Is depletion of ozone layer the principal cause of global climate change?**
- 3. What is the impact of UV radiation on aquatic ecosystems due to ozone layer depletion?**
- 4. What are the pre- pandemic and post pandemic (w.r.t. COVID-19) impact on ozone layer depletion?**
- 5. Are ozone layer depletion and increase of UV radiation affect increase in eye diseases?**
- 6. What is Montreal protocol? What can we learn from it?**
- 7. Which energy source does not increase carbon emission?**

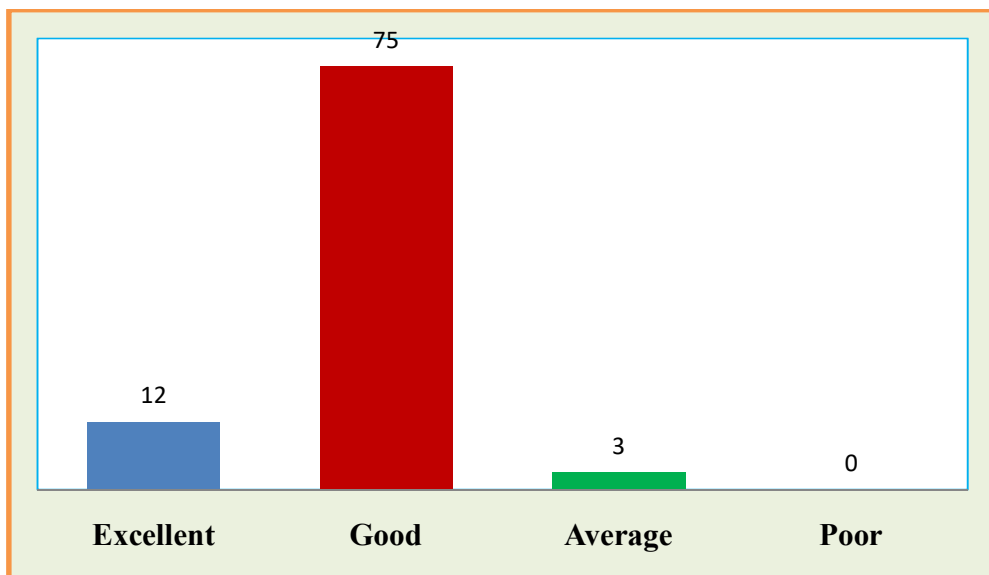

The chief guest answered the queries with utmost authority and in the simplest sentences possible. Principal requested Smt Shiva Deepthi, Asst Prof of Chemistry to propose

vote of thanks. Smt Shiva Deepthi expressed gratitude to the chief guest, principal and departmental colleagues for their contribution.

Feed-Back Analysis:

Press Coverage:

పర్యావరణ పరిరక్షణ అందరి బాధ్యత

సంగారెడ్డి టౌన్ పర్యావరణ పరిరక్షణ అందరి బాధ్యత అని గీతం యూని వర్సిటీ ఆసిస్టెంట్ ప్రొఫెసర్ వెంకట నాగేంద్రకుమార్ పేర్కొన్నారు. గురు వారం స్థానిక తారా ప్రభుత్వ డిగ్రీ కళాశాల ఎకో క్లబ్ ఆధ్వర్యంలో ఓజోన్ దినోత్సవం సందర్భంగా ఏర్పాటుచేసిన సదస్సులో ఆయన పాల్గొని మాట్లాడారు. పర్యావరణ కాలుష్యంతో ఓజోన్ పొరకు నష్టం వాటిల్లుతోందని పేర్కొన్నారు. కాలుష్యంపై పోరులో అందరూ భాగస్వాములు కావాలని పిలుపునిచ్చారు. అనంతరం విద్యార్థుల సందేహాలు నివృత్తి చేశారు. కార్యక్రమంలో కళాశాల ప్రిన్సిపల్ ప్రవీణ, అధ్యాపకులు, విద్యార్థులు పాల్గొన్నారు.

ఈనాడు

SKILL DEVELOPMENT PROGRAMME

“Apprenticeship and Opportunities in Pharmaceutical Sector”

The Department of Chemistry in collaboration with TSKC and Teamlease Edtech Ltd., organized a skill development program titled "Apprenticeship and Opportunities in Pharmaceutical Sector" for B.Sc. Chemistry students on 23.09.2022. Sri. Rajesh, Regional HR of Teamlease Edtech Ltd., has acted as a Resource Person for this program. The program aimed to equip students with practical skills and insights necessary to excel in the pharmaceutical industry.

Program Objectives:

1. To provide students with a deep understanding of the pharmaceutical industry, including its structure, regulations, and current trends.
2. To equip students with practical laboratory skills essential for roles in pharmaceutical research, development, and quality control.
3. To introduce students to apprenticeship opportunities in leading pharmaceutical companies.
4. To offer career guidance and counselling to help students make informed decisions about their future in the pharmaceutical sector.

5. To facilitate networking opportunities with professionals and alumni in the pharmaceutical industry.

Participant Feedback:

Feedback from participants was overwhelmingly positive. Students expressed gratitude for the exposure and industry insights gained during the program. Many highlighted the value of the apprenticeship information sessions particularly beneficial for their career planning.

Outcomes and Impact:

The skill development program succeeded in enhancing students' understanding of the pharmaceutical sector and equipping them with practical skills essential for their future careers. Several students expressed interest in pursuing apprenticeships and internships in pharmaceutical companies following the program. Moreover, the networking opportunities provided valuable connections for students seeking mentorship and career guidance in the industry.

EXTENSION LECTURE

On

“Research Trends in Chemistry and Career Opportunities”

An Extension Lecture on “**Research Trends in Chemistry and Career Opportunities**” was organized by Department of Chemistry on **01.06.2023**. **Dr. Murali Banavoth**, Associate Professor, School of Chemistry, **University of Hyderabad** has acted as Resource Person for this program.

Key points discussed in the extension lecture on "Research Trends in Chemistry and Career Opportunities" by **Dr. Murali Banavoth**, Associate Professor, School of Chemistry, University of Hyderabad:

1. Emerging Research Areas: Dr. Banavoth highlighted current research trends in chemistry, focusing on emerging areas such as nanotechnology, materials chemistry, green chemistry, and interdisciplinary research at the interface of chemistry with other fields like biology, physics, and engineering.

2. Advanced Analytical Techniques: The lecture covered the importance of advanced analytical techniques in modern chemistry research, including spectroscopic methods, chromatography, mass spectrometry, and computational chemistry. Understanding and proficiency in these techniques are crucial for conducting cutting-edge research.

3. Interdisciplinary Collaboration: Dr. Banavoth emphasized the significance of interdisciplinary collaboration in addressing complex scientific challenges. Collaborative research efforts between chemists and researchers from other disciplines can lead to breakthroughs and innovations with real-world applications.

Workshop on Skill Development

02-05-2023

NSS Units, Entrepreneurship Development Cell and HOPE of Tara Government College(A) organised A Workshop on Skill Development in collaboration with **District Employment Exchange**, Sangareddy District and **District Skill Committee**, Sangareddy on **02-05-2023**. The workshop was designed to nurture the soft skills, professional skills among the students of the college. **Chief Guest A. Vandana**, District Employment Officer and Convenor, **District Skill Committee** explained how to enrol in the employment office. **Anjali Verma**, Digital Skill Consultant, **CSR Box & IBM** taught some rare techniques for generating business ideas and shared tips to make CVs more attractive and meaningful.

A session on mock interviews was also conducted to sensitize students about the interview process and to deal with related fear and anxiety by Aneesh Verma, Young Professional, Ministry of Labour and Employment.

Srinivas, Mahatma Gandhi National Fellow, NSS Programme Officer & EDC Convenor Dr. A. Venkatesham, NSS Programme Officers Dr. G. Jagadsihwar, Dr. O. Padmaja, Dr. Abhijith, Dr. N. Siddulu and Shivadeepthi, EDC members V. Santhoshi, Sharifmiya, Staff of the college, NSS Volunteers and students have participated in the programme.
