

# Yearly Status Report - 2014-2015

Part A					
Data of the Institution					
1. Name of the Institution	GOVERNMENT DEGREE COLLEGE BODHAN				
Name of the head of the Institution	Sri P.V.V.S. VARA PRASAD				
Designation	Principal(in-charge)				
Does the Institution function from own campus	Yes				
Phone no/Alternate Phone no.	08467222108				
Mobile no.	9441897370				
Registered Email	gdcbodhan@gmail.com				
Alternate Email	varaprasad.gdc1@gmail.com				
Address	Rakasipet, Bodhan(V&M), Nizamabad, TS-503185				
City/Town	Bodhan				
State/UT	Telangana				
Pincode	503185				

2. Institutional Status				
Affiliated / Constituent	Affiliated			
Type of Institution	Co-education			
Location	Semi-urban			
Financial Status	state			
Name of the IQAC co-ordinator/Director	N Ramesh Goud			
Phone no/Alternate Phone no.	08467222108			
Mobile no.	9440378175			
Registered Email	gdcbodhan@gmail.com			
Alternate Email	nrgoud1977@gmail.com			
3. Website Address				
Web-link of the AQAR: (Previous Academic Year)	http://gdcts.cgg.gov.in/bodhan.edu			
4. Whether Academic Calendar prepared during the year	Yes			
if yes,whether it is uploaded in the institutional website: Weblink :	http://telanganauniversity.ac.in/morene			

#### 5. Accrediation Details

	Cycle	Grade	CGPA	Year of	Vali	ty

# **CRITERION I – CURRICULAR ASPECTS**

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500

words

The institute is affiliated to Telangana University and follows the curriculum prescribed by the university in a systematic way: Before the start of every academic session, Principal along with Vice- Principal conducts an IQAC meeting with Heads of all the Departments and finalize the Academic Calendar in alignment with the university schedule. Subjects are allocated to the faculties based on their subject expertise and interests well in advance. Time table for every semester is prepared by the respective Time Table coordinators of various departments in consultation with the HODs and the load distribution is informed to the Principal. The university provides the syllabus with evaluation schemes and course objectives for every course. Faculty follows the evaluation scheme mentioned in the syllabus for each course. Course Objectives and Course outcomes of the subjects in accordance with the university prescribed syllabus are decided by the respective subject in charge in consultation with the HOD. Teaching plan and the assignments for the semester are prepared by the respective subject in charge before the start of the new semester. Depending on the evaluation scheme, two class tests for 40% and 80% syllabus are conducted per semester taking in to consideration the COs defined for each course to evaluate the students. The result analysis of the internal assessment is done and proper measures are incorporated to improve the performance by arranging remedial classes for the weaker students and giving additional assignments/tasks to the brighter students. Course files are maintained by faculty members which contains Academic calendar, Individual timetable, Teaching plan, Assignments, Class test question papers, University question papers, question banks, Quiz, Performance details etc. Remedial classes are conducted for slow learners. In addition to traditional teaching methods, video lectures, PowerPoint presentations, projects, case studies, surveys etc are being conducted. Guest lectures are regularly arranged to bridge the gap in the prescribed curriculum. An IQAC meetings are conducted every month in the academic year. At the end of every semester course exit feedback is taken from the students and analyzed for proper measures. The faculty in charge maps the course outcome with the program outcomes to ensure the attainment of the curriculum. Special emphasis is given on the development of the overall personality of the students through the conduction of various personality development programs. Students are encouraged to participate in NSS and other social activities so as to enable them to be socially responsible citizens. Seminars, value added courses and field visits are arranged to enrich the curriculum.

.4 – Feedback System			
.4.1 – Whether structured feedback re-	ceived from all the	stakeholders.	
Students			Yes
Teachers		Yes	
Employers		Yes	
Alumni		Yes	
Parents			No
1.4.2 – How the feedback obtained is be maximum 500 words)	eing analyzed and	utilized for overall o	development of the institution?
Feedback Obtained			
Feedback form/formats are d feedback, alumina feedback, feedback from the students various teaching/learning a measures if any, are inform improvements. Course exit f	student feed for the respe spects and it led to the res	back, course ctive course is analyzed pective facul	exit survey, etc. Faculty is taken once in a year o by the HODs and correctiv ties for further

improvements. Course exit feedback and program exit feedbacks are taken to analyze the understanding capability of the students. The infrastructural facilities feedback is taken from the final year students at the end of the program for improving the lab facilities, if any. The feedback so obtained is analyzed for further improvement. Feedback from the parents are taken by interacting with them. Feedback is taken from alumni for suggestions or improvements in the curriculum. Feedback from the final year students are taken for their suggestions in improving the curriculum and it is conveyed to the Chairman, BOS of the respective programmes of Telangana University. Feedback from faculties are also taken for their suggestions in syllabus revision. Library has predesignated feedback forms which are kept on the circulation counter and open to fillup by any user as per their wish. We have also installed a suggestion box which is accessible to all the stake holders so that they can give their feedback/ suggestions for improvements, if any. IQAC conducts the exercise of student feedback every year. This is a feedback on 5point scale, which measures parameters like Subject knowledge, Expression, Teaching aids used, methodology etc. which is analyzed by our IQAC team for taking appropriate decisions for improving the infrastructure and also quality of teachers.

# **CRITERION II – TEACHING- LEARNING AND EVALUATION**

#### 2.1 – Student Enrolment and Profile

#### 2.1.1 - Demand Ratio during the year

	, ,			
Name of the Programme	Programme Specialization	Number of seats available	Number of Application received	Students Enrolled
BA	HEP TM	60	117	60

#### <u>View Fil</u>e

### 2.2 – Catering to Student Diversity

2.2.1 - Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	Number of students enrolled in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG courses	Number of fulltime teachers available in the institution teaching only PG courses	Number of teachers teaching both UG and PG courses
2014	1021	26	15	2	0

#### 2.3 – Teaching - Learning Process

2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), Elearning resources etc. (current year data)

Number of Teachers on Roll	Number of teachers using ICT (LMS, e- Resources)	ICT Toolsand resources available	Number of ICT enabled Classrooms	Numberof smart classrooms	E-resources and techniques used
30	25	1	1	0	2

2.3.2 - Students mentoring system available in the institution? Give details. (maximum 500 words)

Yes, Teacher Guardian Scheme is implemented in the institute wherein each class students are assigned to a faculty member who acts as their mentor for the entire programme duration. Mentor regularly interacts with the students and monitor their academic performance and attendance. Students are counseled by the mentors, class advisors, subject faculties and HOD for improving their academic performance and attendance. Mentors and Class Advisors counsel the students regarding their performance and schedule additional lectures/practical's. At

first year level, students academic and personal issues of concern are well looked after by the class advisor/mentors. The critical cases are handled by first year in charges. This way the students realize their responsibilities at the early stage itself. Mentoring system is followed by all departments from the second year

onwards. The students are given guidance for career, personal, besides academic issues. A special arrangement also, is made available to the students to deal with psychosocial issues arising in cases like single parenting, bread earner in the family etc. For higher semesters, the mentors allocated to the students will council same group of students for three years i.e. the same set of students will be monitored and counseled till they have passed the course. The meetings of mentorship are conducted every month, in which students meet their mentors for academic and personal issues. The students who have less attendance and who have missed their internal tests are paid special attention from mentors side. Even the students with many issues are asked to call parents for parents mentor meetings. The mentor is also responsible to provide counseling to the student and provide guidance regarding personal and academic issues. The mentor keeps track on their improvements and counsels them accordingly. The role of the mentor is to nurture the students and guide them for any issues they are coming across. Students with personal/family problems if any, are given counseling and support by a professional counselor. A large number of students who perceive the professional course are quite focused, still they may fall short of score to be promoted to above sections. Such students are given counseling by the mentors and the subject teachers and remedial lectures are conducted. Students are supported and guided both in cocurricular and extracurricular activities. The mentors of the class discusses with each and every student individually and supports them in all the possible ways to enrich their academic performance. The mentors contacts the parents and educates them, if required about their wards performance, and the academic programs of the college as well as the support system and the monitor system the student and parents. The mentors always keeps a check on the attendance of the student, the marks/grades obtained in the internals externals examinations, and regarding his/her candidature in the campus placement and provides remedial coaching.

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
1047	17	1:60

#### 2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

No. of sanctioned positions	No. of filled positions	Vacant positions	Positions filled during the current year	No. of faculty with Ph.D
17	10	7	0	3

2.4.2 – Honours and recognition received by teachers (received awards, recognition, fellowships at State, National, International level from Government, recognised bodies during the year )

Year of Award	Name of full time teachers receiving awards from state level, national level, international level	Designation	Name of the award, fellowship, received from Government or recognized bodies		
No Data Entered/Not Applicable !!!					

No file uploaded.

#### 2.5 – Evaluation Process and Reforms

2.5.1 – Number of days from the date of semester-end/ year- end examination till the declaration of results during the year

Programme Name	Programme Code	Semester/ year	Last date of the last semester-end/ year- end examination	Date of declaration of results of semester- end/ year- end examination
BA	129	2014	21/04/2015	23/05/2015

2.5.2 – Reforms initiated	d on Continuous Interr	al Evaluation(CIE) syst	em at the institutional le	evel (250 words)		
<pre>internal exam committee. The exam committee works under the supervision of the Head of the institute. The institute exam committee takes the overall responsibility of conducting the end year examination and the evaluation process of answer sheets and preparing the results. Every department has an internal exam committee responsible for the preparation of Timetable, setting of the question paper, declaration of the results of internal tests. After evaluation of internal tests, the answer sheets are shown to the students for any grievances. The grievances of the students are considered and looked into at the department level. The average of the two internal tests are considered for the internal assessment marks. The main reforms initiated by the exam cell committee is the timely declarations, lab work, seminars etc are taken into consideration. Term work marks are given to the student depending on the continuous performance in the internal assessment. The rubrics for each practical and tutorial are based on the parameters: performance, lab ethics, selflearning initiative, conceptual understanding, punctuality and attendance.</pre>						
Principal conducts an IQAC meeting with Heads of all the Departments and finalize the Academic Calendar in alignment with the university schedule. College academic calendar is designed considering all events in accordance with the University academic calendar. In all 30 weeks are planned which mainly include commencement date, closing date of the term, dates of internal tests I and II, college festivals, submissions, oral / practical exams etc. Schedule for internal exams and tentative dates for University theory and practical exams are displayed in academic calendar. Curricular and extracurricular activity dates, exam schedules and other activity dates are displayed in the academic calendar. Academic monitoring cell is responsible for ensuring proper academic calendar and teaching learning process. It monitors all parameters right from attendance, (75 attendance is mandatory as per University rules), assignments, practical's / labs, internal tests. List of defaulter students is notified fortnightly and the parents are informed. Teachers are supposed to maintain course files of their subjects. All assignments are given in first two weeks, so that students can plan and complete the assignments in time. Parent teacher meeting date is also mentioned in the academic calendar. Faculty conducts lectures and practical's as per the timetable in alignment with the academic calendar. Exams and result declaration are strictly followed on the dates mentioned in the academic calendar. 2.6.1 - Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)						
2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the						
nstitution are stated and displayed in website of the institution (to provide the weblink)           Yes, the Program outcomes, program specific outcomes and course outcomes for           all programs offered by the institution are stated and displayed in the           website:

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

Laboratories, library and computers are upgraded as per the guidelines of syllabus issued by Telangana University. A central purchase committee invites the application for laboratory equipment up gradation, repair and maintenance. Library invites the book and journal requisition from all the faculties for various subjects in the curriculum. A central library committee is formed to address the various issues and smooth functioning. Number of computers on the campus are as per the student's ratio and guidelines of UGC. Computers, internet service, browsing center is maintained by system administrator and IT facility maintenance in charge. Cleanliness and hygiene are maintained in class rooms and all the places through housekeeping staff. Sports complex is open to all the students. Facilities are available for various sports and is maintained by sports facility in charge. Various competitions and Annual Sports Events are organized in sports complex facility. Annual budget is allocated for the purchase, repair and maintenance and housekeeping facility. Budget is approved after scrutiny and approval of board of governance.

words)

Govt. Degree College has introduced the concept of Leadership Circles in the year 2014 15 and has innovated upon it in order to make it more effective. To empower all the employees and students this novel idea was conceptualized by the Staff Council. The leadership concept permeates from the Principal to the students who also take up this important responsibility so that the entire process works like a circle with the individual onus on each working to the institutions advantage. The Head of the Institution has a circle of leadership with him, referred to as the Principal's Leadership Circle (PLC). The PLC is responsible for providing strategic leadership and tactical guidance including budgeting and resource planning. All the Heads of Teaching Departments and Departments like Examinations, Student Activities etc form the Principals Leadership Circle. The group provides operational direction to the College. The College does have a designated Vice Principal and in the absence of the Principal, VicePrincipal take charge of the Principals office. Each of the heads, in turn, have their Leadership Circles, comprising members of the department. These Leadership Circles are responsible for planning and execution at the department levels. When a Head is absent, the charge is taken by one of the members of the Leadership Circle by rotation. Each teacher forms a leadership circle with student leaders in the Class which s/he is incharge of as a mentor. Similarly, in the Student Activities Department, Faculty Mentors in charge of student clubs have the office bearers of these clubs in their leadership circle. In turn, these student leaders have other students in their circle. Each Leadership Circle functions with a high degree of independence. Yet, they are also interdependent collaborative units, which support each other to deliver value to our stakeholders. Any member of the College can share her feedback, idea or opinion on critical issues with the respective Leadership Circles and this helps problems to be addressed at the lowest possible level. A second practice is the conduct of Open Houses by the Principal, during which all stakeholders are free to publicly ask any questions or articulate any

concerns.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

#### 6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	The college is affiliated to Telangana University and follows the curricula prescribed by the Telangana University for all the courses offered and as such it has a limited role in the framing of the curriculum. The revision of syllabus takes place every 3 years. In addition to the syllabus we believe in holistic development of the students.
Teaching and Learning	The IQAC has frequent interactions with Heads of the Departments to evaluate the teaching learning process of the institution. The AAA Cell also provides inputs to improve this based on the routine audits. The attempt is to constantly improve teaching methodologies, class room atmosphere, and exam results. Targets are also set

	for each department on the number of seminars/workshops to be attended by the faculty members and the number of papers to be presented etc. All these contributed to the improvement of quality in the teaching learning process
Examination and Evaluation	Headed by a Coordinator, the College Examination Cell takes care of all work related to the examination, including the coordination with the affiliating university. The college follows the examination and evaluation system prescribed by the affiliating university. Procedures are also in place to communicate effectively to students about the university examination schedule, the pattern and scheme of examinations etc. The performance of students is also monitored by the class mentors and students are told about the areas in which they need to make improvements, thereby emphasizing on the aspect of leadership at all levels. Internal exams are conducted as per schedule and minimum attendance requirements are strictly enforced.
Research and Development	Research Committee, headed by a Coordinator, administers the promotion and operation of research activities in the College. The Faculty members and students of the college are encouraged to attend international and national workshops/conferences and present research papers. Certain financial support is provided for such activities Faculty members are also motivated and encouraged to offer their expert services as resource persons, subject experts and chairpersons. Onduty leave is provided to faculty members who attend workshops and seminars. Library and laboratory facilities are upgraded by adding new learning resources and instruments.
Library, ICT and Physical Infrastructure / Instrumentation	The Library Committee which consists of faculty members assists the Librarians in ensuring the development of the library by recommending books, journals, magazines etc. The library provides internet access to both the students and the staff members. It also extends reprographic services to students. The institution adopts policies and strategies for adequate technology deployment and maintenance.

	The ICT facilities and other learning resources are adequately available in the institution for academic and administrative purposes. The staff and students have access to technology and information retrieval on current and relevant issues. The institution deploys and employs ICTs for a range of activities. The students have access to WiFi.
Human Resource Management	The college has a welldefined, fair, nondiscriminatory HR policy for its employees. It accords top priority for staff development and organizes orientation programme for them conducted by external resource persons at the beginning of every academic year. Regular training programmes/guest lectures are also organized for the teaching faculty on various subjects pertaining to teaching methodologies, classroom management, teacher development etc. All these help in enhancing the quality of teachinglearning process and in creating conducive atmosphere for team work.
Industry Interaction / Collaboration	The college has invited experts from the industry to deliver guest lectures and also has given projects to students which require interaction with the industry. Different departments have taken their students on industrial visits to give them a practical exposure. The Placement Cell of the college facilitates internship and placement with the leading industries for students. The cell also arranges regular training sessions on interview skills, resume writing etc. by industry experts.
Admission of Students	Admission to various courses offered by the institution is according to the norms of the affiliating University. The college has an admission committee consisting of members from every department to help with the admission process. The college has a totally transparent admission procedure. The admission notification is notified in local news papers about the courses offered, eligibility criteria etc. Then the applicant's choice of the course, he/she can fill and submit the form with the requisite documents. Selection is based on merit and once the applicants are informed of their

	<pre>selection, they are asked to meet the Principal and confirm their admission by paying the fee. A notable feature of the admission process is that the Principal meets all the students along with their parents individually,</pre>
	without which the admission is not
	given. This helps the college in
	getting to know the parents and for the
	parents, it is a kind of affirmation
	that they receive from the college.

member of the teaching fraternity and the college management too snares one same viewpoint. The students would vouch for the fact that there is an adequate mix of rules with fun, freedom with restriction and congeniality with control. Preparing students for the future involves equipping them with the knowledge, knowhow, skills and attitude to be winners. Student experience is also about helping them to understand their peers better, working together in teams and having the sensitivity to understand others. To accomplish our vision with every advancing year we earnestly aim to raise the bar and set high standards for ourselves , so that our students have the best possible holistic experience with us. An active NSS and Social Service Cell organize outreach programmes for the student community. The college rallies round during natural and manmade calamities and is a collection centre for relief materials. The Counselling Cell, the Placement Cell and a host of club activities with a healthy MentorMentee ratio, Study Circles, Foreign Language training, Finishing School, Certificate Programmes, Cultural Events and International Day Celebrations, all combine to make the institution an ideal place to pursue their undergraduate studies.
