A Brief Report on the Program

(Faculty Development workshop on ' The Role of IQAC and NAAC in Quality Sustenance' 05-09-2018, Alumni Hall, NG College)

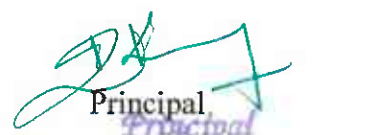

Dr A Visweswara Sharma, former IQAC Coordinator, Government Degree College(A) Siddipet and have been working as an assistant professor in Tara GDC(A), Sanga reddy, since 30 June 2018. On 5th September 2018 commemorating Sarvepalli Radhakrishnan, IQAC took an initiation to invite Dr Sharma to explain the NAAC related issues and quality issues.. He was briefly introduced to staff by IQAC coordinator Dr V V Subba Rao. This program was presided by Dr. K. Padmavathi, Principal of the College.

Dr Sharma using PPT explained NAAC process to the lecturers who are new to this process and who had experience earlier. Besides this program an interaction session was also arranged with staff in post lunch session. In this session he interacted with staff to throw the light on staff's involvement to record quality measures in proper way to achieve better grade in NAAC. He explained the role of IQAC in maintaining the internal quality. He clarified staff's doubts about NAAC process. He has given Strengths, weaknesses, opportunities and challenges (SWOC) formats to fill and analysed them.

From 4 :10 to 4:30 pm staff who participated in both of these sessions responded with their feedback. Finally the session ended with felicitation and vote of thanks by Telugu lecturer Dr .T. Krishnaiah. Working lunch is arranged by IQAC to encourage lectures to participate in both sessions without much waste of time.

A Brief Report on the Program

(Faculty Development Program on 'Beyond Class rooms' 8-11-2018, Alumni Hall, NG College)

Dr k. S. Ratnakar , Chairman for Global Medical Education Research Centre, Hyderabad is well known speaker across the two Telugu states. He is alumni of Guntur Medical College and worked for prestigious Sathya Sai Institute of Medical Sciences, Puttaparthi. On 8 November 2018 he attended a program initiated by IQAC. He was briefly introduced to staff and students by IQAC coordinator Dr V V Subba Rao. This program was presided by Dr. K. Padmavathi, Principal of the College.

The former Joint Director, CCE, Telangana State IVSS Sharma also participated and shared his experiences and motivated lecturers .Dr.K.S.Ratanakar 's speech was full of anecdotes and experiences. He explained the greatness of teachers in motivating and mentoring students .The speech was extempore in nature with 'slokas' and 'Padyas' with lucid explanation mesmerized the students, teaching and non teaching staff of the college. Besides this program an interaction session was also arranged with students in post lunch session. In this session he interacted with students and staff to throw the light on medical industry's demands on contemporary graduate education. He clarified student's doubts about opportunities and challenges arising in medical field and how to tap them for student's advantage.

From 4 to 4:30 pm the students and staff who participated in both of these sessions responded with their feedback. Finally the session ended with felicitation and vote of thanks by Telugu lecturer Dr.T.Krishnaiah.

A Report of the Programme

Department of Mathematics organized Orientation Program on “Pedagogical Approaches of Real Analysis” on 16-09-2017 .This Program was sponsored by CCE TS, Hyderabad. Department invited Resource Persons from IIT Hyderabad. Lecturers from various Colleges attended the Programme and were actively participated. Participation certificates were distributed to them in the Valedictory Session. Total numbers of participants were 46. Mathematics Students of our college also present in the Program. The program had four technical sessions besides Inaugural and Valedictory.

Dr. G. Upender Reddy, Assistant Professor of Math, MGU Presided Technical Session-I .Dr .G. Ramesh, Assistant Professor of Math IIT Hyderabad was the Keynote speaker. He Delivered a Lecture on The Topic Limit Infimum and Limit Supremum. This is one of most important and difficult concepts in real analysis. He cleared so many doubts of the participants in the topic.

Smt D. Hymavathi, Assistant Professor of mathematics MGU was the President of Technical Session-II. Dr.D.Sukumar , Head of the Department of Math IIT Hyderabad was the speaker. He delivered a Lecture on the topic “Sequence of functions”. He has given geometrical illustrations how the sequences of functions converge or diverge. He made every participant actively involved and allowed participants to ask doubts. After this session Lunch Followed

Dr.P.Maddileti, Assistant Professor of mathematics MGU was president of the Technical session-III. Dr.D.Venku Naidu, Assistant Professor of Math IIT Hyd has spoken on the topic Series of function and Power series. He has given proof of the theorems which deals with the series of functions in easy way. After this session Tea break followed. In Technical Session-IV Dr.S.Upender Program coordinator spoke about Mathematics education and importance of Math in daily life. Sri. Poola Ravinder, MLC, TS was chief guest in the Valedictory session. He appreciated the efforts made by the Principal and Department of mathematics to conduct the program. He told that his support will be always there for Programs which benefits students. This session was presided by the Dr.R.Nagendher Reddy, Principal.
